Geocache Placement Guidelines

- 1. A Geocache Placement Permit must be filled with and approved by the Parks and Recreation Director or her/his designee.
- 2. At a minimum, *Cache Listing Requirements / Guidelines* developed by Groundspeak and posted at geocaching.com must be followed when developing a cache.
- 3. All local and state laws apply.
- 4. The cache container must be clearly marked on the outside with Geocaching.com and the name of the cache.
- 5. Pemit is good from date issued to February 28 of the next year. After that date, the cache must be re-permitted or removed. If the cache owner removes the cache

before the February 28 expiration date, he/she will notify the Parks and Recreation Director.

- 6. The City of Coralville, through its directors or designee, reserves the right to terminate this approval for placement of a geocache on city land for any reason at any time. Caches not in compliance with the terms of this permit will be removed from the property and this permit voided for failure to comply.
- 7. We request that you monitor this cache every two months and you maintain it to be family friendly. This means the cache should contain no food, alcohol, firearms, drugs, dangerous items or adult items.
- 8. We also request that you direct people seeking your cache to follow established trails most of the way to your cache. We discourage off trail hiking as it negatively impacts the environment.
