

July 1, 2014

Dear Families,

This spring Coralville Parks and Recreation has been working on a program for scholarships for the Before and After School programs run by our Recreation Division. We are finally ready to roll these out to the schools that we serve. The scholarship opportunity will provide a reduced monthly tuition price for families who are eligible for free or reduced lunch with a local school district.

Spots will not be taken away from current families who attend a CP&R BASP program or opportunities for families who are currently on a waiting list with our department. The new spots have been made possible by working with the buildings where we operate to provide some expanded and dedicated space to improve the economic diversity opportunities in the programs. The programs are: Kate Wickham BASP, Norman Borlaug BASP, James Van Allen BASP, Camp Coralville North, and Camp Coralville South.

The scholarship program will be administered with the following structure:

- Proof of eligibility for scholarship must be provided by the parent in the form of notification from the school district on official district letterhead that the child is eligible for free or reduced lunch. Proof will be submitted at time of registration and again in October of each year. This information will be held confidential.
- A student eligible for free lunch will pay 25% of the monthly tuition fee.
- A student eligible for reduced lunch will pay 50% of the monthly tuition fee.
- Scholarship recipient numbers will comprise of no more than 10% of a BASP site's department determined maximum enrollment numbers.
- The yearly application fee will be waived for a BASP scholarship student.

Tuition Rates for the 2014-2015 School Year are:

2014-15 Tuition

Service Type	Full Tuition	50% (Reduced Lunch)	25% (Free Lunch)
Both Before & After	\$210	\$105	\$52.50
After Only	\$180	\$90	\$45
Before Only	\$100	\$50	\$25

Application for 2014-2015 School Year
