A Story 50 Years in the Making

The Library's story began with Girl Scouts, a bake sale, and a basement. page 2
Back in 1964, a local Girl Scout Troop deposited $46.78, the earnings from their bake sale, into the “Library for Coralville” fund, setting the stage for community support that would sustain the Library for generations to come.

From that first library, which opened on September 13, 1965 in a corner of the basement community room in the Old Town Hall, to its second location, shared with the Recreation Center at 806 5th Street, to the present location at 1401 5th Street, the community has nourished the growth of the Coralville Public Library and cultivated the grounds for new buildings, enabling the Library to grow with the community.

In 2015, we celebrate the Golden Anniversary of the Library—50 years of library service for the Coralville community. From its humble beginnings, serving 350 families and offering a collection of 2,250 items, to its current patron base of over 20,000 library cardholders and a collection of over 110,000 items, the Coralville Public Library has remained a valued resource for community members and a gathering place for individuals and community groups.

The Coralville Public Library started as a grass roots effort by a group of citizens who knew the community needed a library, and has continued to respond to the needs of Coralville residents as the community has grown over the past 50 years. Please join us on September 13th to celebrate the Library’s anniversary, and kick off the next 50 years of the Coralville Public Library!

Coralville Public Library Golden Endowment Fund

In anticipation of the Library’s 50th Anniversary, the Coralville Public Library Foundation and the Friends of the Coralville Public Library collaborated to establish an endowment fund, with a goal of reaching a seed endowment of $50,000 by the Library’s 50th Anniversary. We are happy to announce that through the generosity of the Foundation, Friends, and many library supporters, we have reached that $50,000 seed endowment! We look forward to growing that endowment in the years to come, to further secure and nourish the next 50 years of the Coralville Public Library! For more information about the Coralville Public Library Golden Endowment Fund, please contact Library Director Alison Ames Galstad at agalstad@coralville.lib.ia.us or visit www.coralvillepubliclibrary.org/about/donate.
Celebrate 50 Years of Stories
AT THE CORALVILLE PUBLIC LIBRARY!

Sunday, September 13 | 12:00-4:00 pm

The Coralville Public Library will celebrate 50 years of service to the Coralville community with a special open house on September 13 featuring music, refreshments, a children’s program, and remarks by local officials.

As part of the celebration, the “Founders’ Room” in the Library will be dedicated as a tribute to the individuals who were responsible for getting the Library off the ground in 1965.

Rick Eugene and members of the Quad Cities Magic Club, specializing in comedy magic and family entertainment, will entertain visitors throughout the day with juggling, magicians, balloon artists, and more. Area author Tim Walch will give a Coralville history presentation at 1:00 pm, showcasing photos from his recent pictorial history book, Images of America: Coralville.

The Library will be open for business as usual throughout the open house. Help the Library celebrate this milestone and mark the beginning of a new chapter!
By early fall 2015, the Coralville Transit Intermodal Facility is scheduled to open in Coralville’s Iowa River Landing. The facility, which will serve autos, buses, taxis, and bikes, will expand the convenience of transportation in the area.

The space is home to over 400 parking spaces, with a portion for retail/district parking, and approximately two-thirds dedicated to a park-and-ride commuter program where drivers can park and take a more sustainable or economical form of transportation to their final destination (such as bus, bike, foot, or carpool). Parking spaces are covered and access-controlled at a rate of $50.00 per month. The fee includes parking and an unlimited ride bus pass. Information about parking passes will be posted at www.coralville.org/intermodal as it becomes available.

For bus riders, the new transit terminal and transfer point will offer bus waiting areas, restrooms, and transit information. The facility will offer access to some of the Coralville bus routes, approximately a 10-15 minute ride to the Veteran’s Administration Hospital, University of Iowa Hospital and Clinics, and University Campus.

For cyclists, the facility will feature secured bike parking, and bike rentals and cycling resources from the Iowa Bicycle Coalition. Electric car charging stations, LED lighting, and stormwater planters have been carefully planned for the facility.
Citizens to Elect Mayoral & Council Positions This Fall

The office of Mayor and two City Council positions will be on the ballot for the 2015 City Election on November 3, 2015.

The City Council is made up of five Council Members who serve overlapping four-year terms; the Mayor is elected for a two-year term. These at-large, non-partisan positions are elected by Coralville citizens.

Running for Public Office

People wishing to run for city office must file nomination papers with the county auditor. The Candidate's Guide, Affidavit of Candidacy, and Nomination Petition can be found at the Iowa Secretary of State's website at sos.iowa.gov/elections/electioninfo/cityelections.html or from the Johnson County Auditor's office.

Candidates are required to have a minimum of 25 signatures of registered voters residing in Coralville on their petitions, and must file their nomination papers with the Johnson County Auditor's Office. Once the forms are submitted to the county auditor, the signatures on the petition checked, and the person certified as a candidate, the county auditor will add the name to the ballot.

Candidate Filing Information

Nomination papers for prospective candidates can only be accepted at the Johnson County Auditor's office (not City Hall) during the filing period from August 24 until September 17, 2015.

Candidate & Voter Resources

The Johnson County Auditor's Office publishes an election calendar which specifies candidate deadlines in addition to voter registration dates, absentee ballot deadlines, and polling place hours. Information is available at www.johnson-county.com/auditor/index.html, by contacting the Johnson County Auditor's office at 319.356.6004, or by email at elections@co.johnson.ia.us.

While the Johnson County Auditor's Office handles candidate filing and elections, the City has a number of resources available to the public to stay informed with Council proceedings:

- **Information.** www.coralville.org/agendacenter hosts years of City Council agendas and agenda packets, minutes, meeting videos, and work session notes, in addition to agendas and minutes for other City boards and commissions.
- **Notifications.** Sign up at www.coralville.org/notifyme to automatically receive a notification when the latest Council agendas and minutes are available, or choose from a list of topics that interest you.

- **Meetings.** City Council meetings (held at City Hall at 6:30 pm on the second and fourth Tuesday of the month, unless otherwise noted) and work sessions (following most Council meetings), are open to the public. Council Meetings are shown live and rebroadcast on Mediacom channel 5/118-8 digital, and live and on demand at www.coralville.org/coralvision. Audio recordings are available by contacting City Hall at 319.248.1700.

The intersection at 12th Avenue and Holiday Road was converted from a four-way stop to Coralville’s first “mini-roundabout” in summer 2015.

**What is a mini-roundabout?**

A mini-roundabout works just like a full-size roundabout, but is used where space doesn’t allow for a full-size roundabout. A mini-roundabout has a smaller footprint and a smaller, paved central island with a lower curb, rather than the large landscaped center of a full-size roundabout. **Drive in a mini-roundabout like you would in a regular roundabout.** Unless you are driving a very large vehicle like a semi or a bus, you will always drive counter-clockwise around the central island. The paved central island allows long vehicles with a large turning radius, like a semi or bus, to drive over the central island.

For more information about roundabouts, including locations of all roundabouts in Coralville, visit [www.coralville.org/roundabouts](http://www.coralville.org/roundabouts).

**Round-about 101**

**For Pedestrians & Cyclists**

Roundabouts are designed to be safer for pedestrians than other types of intersections. At roundabouts, pedestrians only need to cross one direction of traffic at a time, vehicles move through roundabouts at a slower speed, and crosswalks are set back further from circulating traffic which allows drivers more time to react to pedestrians.

Pedestrians should cross at a roundabout as they do at any other intersection: always use the crosswalk and look for approaching traffic. There is no need to walk to the center of the roundabout.

Bicyclists traveling on the sidewalk should follow the pedestrian rules when using the crosswalk, and bicyclists riding in the street with traffic should follow the rules of the road.
Roundabouts have been shown to:
1. Reduce the number and severity of accidents when compared to standard intersections.
2. Reduce vehicle delays and keep traffic moving at intersections.
3. Reduce vehicle emissions due to decreased idling times.
4. Typically cost less to construct and maintain than signalized intersections.

Learn more from the Iowa DOT about the benefits of roundabouts at [www.iowadot.gov/traffic/roundabouts/roundabouts_benefits.htm](http://www.iowadot.gov/traffic/roundabouts/roundabouts_benefits.htm).

How to Drive in a Roundabout

1. **Slow before entering** to anticipate gaps in traffic, and prepare to yield.
2. **Yield to vehicles from the left.** If no vehicles are coming from the left and no pedestrians are in the crosswalk, there is no reason to stop.
3. **Once you are in the roundabout, you have the right of way and entering traffic must yield to you.**
4. **Stay to the right of the central island.** Traffic moves counterclockwise in a roundabout.
5. **Watch for bicycles and pedestrians,** and use your right turn signal when exiting the roundabout.

**Roundabout Landscaping**

**DISCOVER THE LITTLE-KNOWN REASONS BEHIND THE SCALE OF WHAT IS PLACED IN THE CENTRAL ISLAND OF A FULL-SIZE ROUNDABOUT.**

The roundabout at 1st Avenue and Holiday Road was Coralville’s first to open back in 2002. During the design process, the City worked with two founders of modern roundabouts: one in the U.K., and one in the U.S. Their theory on the connection between central island streetscaping for full-size roundabouts and driver focus was significant enough that it was adopted by the City and impacted the final roundabout design.

The two founders of modern roundabouts held this theory: Unlike traditional 3-way or 4-way intersections—where a driver entering an intersection has to be aware of traffic coming from multiple directions, making multiple movements (straight or turning), or observing a traffic light or stop sign—a driver entering a roundabout has one primary concern: yielding to traffic coming from the left that is already in the roundabout. The view of traffic approaching from the opposite side of the roundabout should have no bearing on how a driver approaches and enters the roundabout.

By using large streetscaping in the central island, blocking the view through the roundabout allows entering drivers to focus on traffic coming from the left. Blocking the view also decreases the likelihood that drivers would speed up to beat traffic seen coming from the other direction. Roundabouts work best when speeds are kept low and consistent, and central island streetscaping plays an important role in maintaining safe speeds. The scale of the streetscaping is something that the City considers at each proposed roundabout.

There are two other reasons why central island streetscaping is used: to aid in reducing headlight glare at night, and to provide a vertical element that identifies the roundabout from a distance. At 1st Avenue and Holiday Road, the central island design includes tall streetscaping because the intersection is in a wide open area with long, straight roads—a setting in which drivers tend to feel comfortable at speeds above the posted limit. The combination of the large limestone in the center of the roundabout and the limestone wall on the east side help to close down the corridor, a visual cue for drivers that tends to reduce speeds overall.

[www.coralville.org](http://www.coralville.org) 319.248.1700
Improvements to 5th Street between 1st Avenue and 10th Avenue began in spring 2015. 5th Street was part of the original U.S. Route 6 and has been an arterial street throughout the development of our community. Recent redevelopment on 5th Street, street reconstruction and improvements, and flood mitigation projects are transforming 5th Street into a community-friendly and walkable corridor with trail connections, transit access, historic attractions, and public spaces. Work on 5th Street will be substantially complete by late summer, weather permitting, and the final landscaping work will be complete in fall 2015.

5th Street Improvements
5th Street is being reconstructed from 6th to 9th Avenues, and 5th Street from 1st to 9th Avenues is undergoing streetscape improvements. The project includes new underground public utilities (sanitary, storm, and water), street paving, sidewalks, trees, and lighting improvements. The addition of stormwater planters serves a dual purpose: they capture stormwater and infiltrate runoff before entering the storm sewer, while also functioning as a landscaping feature.

5th Street Reconstruction over Biscuit Creek
5th Street is being reconstructed and raised from 3rd Avenue to 4th Avenue as it crosses Biscuit Creek to provide flood protection in this area. The project includes new paving, new underground utilities, new sidewalks, streetscape improvements, on-street parking associated with the 1876 Schoolhouse and Old Town Hall, and an overlook on the south side of 5th Street.

When Coralville’s 5th Street—part of the original U.S. Route 6—was paved in 1921, Mayor Edward Koser proclaimed a holiday and marked it with a street dance to celebrate the completion of the street paving.
Coral Ridge Avenue Improvements

By late summer 2015, construction is expected to be substantially complete on the half-mile stretch of Coral Ridge Avenue (Highway 965) between the Holiday Road/Heartland Drive and Oakdale Boulevard intersections.

The project includes widening Coral Ridge Avenue to four lanes, additional turn lanes, a trail connection between Heartland Drive and Oakdale Boulevard, a trail underpass just north of the Holiday Road/Heartland Drive intersection, storm sewers, landscaping, and lighting. It also includes unique stormwater practices to protect water quality in the Clear Creek watershed: the use of bioswales, which are designed to collect and filter storm water, will reduce surface runoff and flash flooding, and provide green infrastructure educational opportunities. The final landscaping and bioswale construction will be complete in fall 2015.

In a nod to Coralville’s history and to mark the significance that 5th Street has played in the development of Coralville, plans are underway for another street dance celebration this fall when the 5th Street reconstruction and improvements are complete.
Multiple copies of each book are available for checkout and are, whenever possible, available in large print, audiobook, and ebook editions. New members are always welcome.

**It’s a Mystery**

Second Wednesday of the month | 10:00 am

Celebrating 21 years of lively discussion of mystery novels. Join us for murder, discussion, and doughnuts!

**September 24**

*William Shakespeare’s Land of the Dead* by John Heimbuch
A mash-up of William Shakespeare’s *Henry V* and zombie attack, the *Minneapolis Star* called this play “witty, clever, [and] peppered with self-referential humor and wonderful wordplay on some of the Bard’s best lines.”

**October 29**

*The Glass Menagerie* by Tennessee Williams
“Why does this play continue to hold our fascination; to engage the talent of such actresses as Helen Hayes, Jessica Tandy, Katherine Hepburn, and Joanne Woodward…more than fifty years after the Wingfields first took to the stage, this dysfunctional family is as popular as ever.” (Robert Bray).

**November 19**

*Beyond Therapy* by Christopher Durang
“Beyond Therapy is zany in a particularly intelligent way… wickedly funny, terribly slanted, and essentially true” (*LA Times*).

**October 14**

*Poisoned Ground* by Sandra Parshall
A planned resort divides a rural community. When a couple is killed on the farm they wouldn’t sell to developers, a veterinarian gets to the bottom of things, complicating her life and that of her new husband, the local sheriff.

**November 4* **

*A Walk Among the Tombstones* by Lawrence Block
Maybe you saw the movie? Now it’s time to read the book. An ex-cop and unlicensed PI tries to find out who killed the wife of a drug dealer.

*Meets first Wednesday of the month due to Veterans Day*

**September 17**

*To Kill a Mockingbird* by Harper Lee
Read or revisit the story of Scout Finch, her lawyer father Atticus, and the small town courtroom drama that unfolds when Atticus takes the case of a black man accused by a white woman. Lee’s novel is timely as we continue to grapple with race relations, and timeless in its themes of childhood, innocence, and justice.

**October 15**

*Just Mercy* by Bryan Stevenson
Bryan Stevenson was a young lawyer when he founded a legal practice dedicated to defending those most desperate. One of Stevenson’s first cases transformed his understanding of mercy and justice. This account of an idealistic, gifted young lawyer’s coming of age is an inspiring argument for compassion in the pursuit of justice.

**November 19**

*The Adventures of Huckleberry Finn* by Mark Twain
For 130 years, people have been captivated by Mark Twain’s story of Huck and Jim and their journey on the Mississippi River. Twain’s classic has spurred innumerable discussions of the nature of childhood, the evils of slavery, and the restrictions of conventional society.

**December 17**

*My Name is Mary Sutter* by Robin Oliveira
Set in the Civil War, a brilliant midwife dreams of becoming a surgeon, but must overcome the prejudices against women in medicine. This historical fiction novel was selected for the 2015 All Iowa Reads program, which fosters community in the state by encouraging Iowans to read and discuss the same book.
ONE CARD WITH LIMITLESS POSSIBILITIES

September Is National Library Card Signup Month

If you live in Coralville, you are one step away from free access to over 100,000 books, movies, CDs, magazines, newspapers, audio books, and emedia! A library card will let you borrow materials from the library, download ebooks and audiobooks, access a wide variety of databases and other online resources, and use computers at the library. You even get $1.00 a day in free printing!

To get or replace a library card, visit the Coralville Public Library with a photo ID and proof of address. Or, save time by registering online (go to My Account at www.coralvillepubliclibrary.org and bring your photo ID and proof of address to the Library to complete your registration.

Children of any age can get library cards, but they must be accompanied by a parent or guardian who must provide identification and proof of address. Children 14 and older may register for library cards independently.

TEEN PROGRAMS

College Planning Night    Thursday, October 8  l  7:00 pm
High school sophomores, juniors, and their parents can learn about preparing for, visiting, and selecting a college; the application and admissions process and requirements; understanding costs; scholarships; and making successful transitions to college. A free presentation offered by the Coralville Public Library and the Iowa College Access Network (ICAN).
For more information, contact Karen Stierler at 319.248.1850 or at kstierler@coralville.lib.ia.us.

Teens Vote for Top Ten Reads
The Teens’ Top Ten is a “teen choice” list, where teens nominate and choose their favorite books of the previous year. To get in on the action:
• Read some of this year’s Teens’ Top Ten-nominated books displayed at the Library.
• Readers ages 12 to 18 can vote online between August 15 and Teen Read Week (Oct. 18-24) at www.ala.org/yalsa/reads4teens.
• The ten books to receive the most votes will be named the 2015 Teens’ Top Ten.
The winners will be announced the week after Teen Read Week.

Teen Read Week    October 18-24, 2015
The Coralville Public Library, along with 5,000 libraries across the United States, will celebrate Teen Read Week with special events and activities encouraging teens to read for fun. Watch www.coralvillepubliclibrary.org/teens for details!

Join our Teen Advisory Board
First Thursday of the month  l  7:00-8:00 pm
The Library’s Teen Advisory Board (TAB) is a group of 7th to 12th graders which helps plan and implement teen programs, recommends materials for the library, and talks about ways to make teens’ library experience better. Pick up an application at the Circulation Desk or download it from www.coralvillepubliclibrary.org/teens.
Evan Hilsabeck stepped on stage in June as the new Managing Director at the Coralville Center for the Performing Arts, following the move of former Managing Director Megan Flanagan.

Evan oversees programming and operations for Coralville’s 472-seat performing arts facility and works with volunteers involved with City Circle Acting Company, Young Footlighters Children’s Theatre, and the Center’s volunteer ushering program.

Before joining the Center, this Iowa native spent three years as the Managing Artistic Director at Spencer Community Theatre in northwest Iowa. He holds a Bachelor’s degree in Theatre from Gustavus Adolphus College and has studied at the Eugene O’Neill National Theatre Institute in Waterford, Connecticut, and the St. Petersburg Theatre Arts Academy in St. Petersburg, Russia.

TICKETS FOR MOST EVENTS ARE AVAILABLE AT

- 319.248.9370

16-18 William Shakespeare’s Land of the Dead
Presented by City Circle Acting Company

19 Eastern Iowa Brass Band

NOVEMBER

6-8 Sondheim on Sondheim
Presented by University of Iowa Opera

28 Festival of Trees
Presented by the Coralville Center for the Performing Arts
- **LABOR DAY HOLIDAY** | Monday, September 7  
  City Offices & Library: Closed  
  Transit: No buses running  
  Recreation Center & Indoor Pool: Open  
  Outdoor Aquatic Center: Open; last day of the 2015 season  
  Trash & Recycling: No Monday pickup; routes collected one day later than usual the week of September 7.

- **COMMUNITY SHRED DAY** | Saturday, October 3  
  When: 8:00 am to noon  
  Where: City Hall parking lot, 1512 7th St.  
  What: Residents can bring unlimited cardboard boxes with personal papers to be destroyed at the North Cedar Recycling facility. Sponsored by the City of Coralville with thanks to North Cedar Recycling. North Cedar Recycling is NAID certified by the National Association for Information Destruction.

- **FALL MAYOR’S CLEAN UP WEEK** | October 5-9  
  What: Free pickup of large trash items  
  When: Set items curbside up to 24 hours before or by 7:00 am on trash collection day  
  Accepted: Large items that won’t fit in a bag, like furniture or bathroom fixtures.  
  Not accepted: Appliances, construction materials, electronics, or hazardous materials.  
  Please: Tag other extra garbage bags as usual  
  More info: 319.248.1740

- **CORALVILLE FIRE DEPARTMENT OPEN HOUSE** | Sunday, October 11  
  What: Visit the Coralville Fire Department, view fire trucks, talk with local firefighters, learn about fire prevention, and enjoy refreshments.  
  When: 12:00-4:00 pm  
  Where: Fire Station #1, 1501 5th Street  
  More info: 319.248.1835

- **TRICK OR TREATING** | Saturday, October 31  
  When: 5:30 to 8:00 pm  
  Where: Throughout Coralville

- **VETERANS DAY HOLIDAY** | Wednesday, November 11  
  City Offices & Library: Closed  
  Transit: Running normal schedules  
  Recreation Center & Indoor Pool: Open  
  Trash & Recycling: No Wednesday pickup; Wednesday and Thursday routes picked up one day later than usual

- **AISLE OF LIGHTS** | Sunday, December 13  
  Save the date for Coralville’s 35th annual Aisle of Lights. Luminaria supplies and distribution are coordinated by local volunteers, sacks and sand are donated by local businesses, and all residents are invited to participate.  
  Volunteers Needed  
  • Be a neighborhood block captain: pick up free sacks and sand from a designated location for your neighborhood, and invite neighbors to set up luminarias, or  
  • Be an area coordinator: work with neighborhood block captains.  
  To volunteer, contact Jim Albrecht at 319.631.3845, or City Hall at 319.248.1700.
Celebrating the 30th Anniversary of America Needs Farmers (ANF)

FRYfest is named in honor of former University of Iowa football coach Hayden Fry, said to be one of the greatest Hawkeyes of all time.

FRYDAY, SEPTEMBER 4, 2015
ALL DAY

AT CORALVILLE’S IOWA RIVER LANDING
FREE & OPEN TO THE PUBLIC

Does your heartbeat escalate every time you hear “Fight! Fight! Fight! for IOWA!”? Are black and gold clothing a primary part of your wardrobe? Do you love cheering on the Hawkeyes? If you answered yes to one or all, FRYfest is a “must experience” event!

The one-day “celebration of all that is Hawkeye” in Coralville’s Iowa River Landing kicks off the Hawkeye athletic season the Friday before the first home football game.

Now in its seventh year, the FRYfest tradition draws over 20,000 fans annually.

ACTIVITIES & EVENTS*

- World’s Largest Hawkeye Tradeshow
- Pep Rally (presented by ICAAR)
- Outdoor Concert: Joan Jett & the Blackhearts (presented by Two Rivers Bank & Trust)
- Beverage Garden
- FRYfest Blood Drive (organized by the UI DeGowin Blood Center)
- Small FRY Zone (at Diamond Dreams Baseball Academy)
- FRYfest Farmer’s Market
- Ultimate Hawkeye Trivia Challenge
- Hawkeye Collectors Showcase
- Hawkeye BAGGO Tournament
- Herky on Parade Unveil (Special 2015 FRYfest Collection)
- 2015 Hall of Fame Panel & Autograph Session
- Hawkeye Fashion Show/Product Showcase
- America Needs Farmers Panel, Wall of Honor Presentation, & Autograph Session (sponsored by the Iowa Farm Bureau)

*Subject to change. For a complete list, see www.FRYfest.com

COST
All events are free, except the Joan Jett & the Blackhearts concert and the Hawkeye BAGGO Tournament.

CONNECT WITH FRYfest!
www.FRYfest.com | 319.337.6592

PARKING

BIKE PARKING: Free, on-site bike parking is available in the grass lot in front of AAA Mechanical, 832 Quarry Road.

PAID PARKING: Limited $5.00 pre-pay event parking is available at:
- (All day) Iowa River Landing North Parking Ramp: Adjacent to the Coralville Marriott Hotel & Conference Center. Marriott overnight guests have ramp access with a designated pass.
- (Beginning at 4:30 pm) West Parking Ramp: Parking ramp adjacent to the University of Iowa Health Care building (concert parking only).

HIGH PORCH PICNIC CONCERT AT FRYfest
Joan Jett & the Blackhearts
FRYday, September 4 | 8:30 pm
CONCERT LOCATION:
The parking lot south of the Marriott Hotel and Conference Center, next to the tradeshow.

Concert Tickets | $15.00*
On sale at:
- www.FRYfest.com (through Aug. 30)
- Coralville Hy-Vee
- MidWestOne Bank
- Coralville City Hall
- Iowa City/Coralville Area CVB
- Coral Ridge Mall Guest Welcome Center

*Starting August 31
4thFest welcomes volunteers! Help plan 4thFest in the months prior to the celebration, or volunteer at events in early July. For more information or to sign up, visit www.coralville.org/4thFestVolunteer.

Our community welcomed approximately 20,000 visitors when RAGBRAI made its fifth overnight stop in Coralville on July 24. Thank you to the volunteers, host homes, sponsors, participating community organizations, area businesses, and community members for your support!

BE PART OF THE Excitement!

VOLUNTEERS & SPONSORS Make the RAGBRAI Wheels Go ‘Round

www.coralville.org 319.248.1700
Fall Leaf Collection
Curbside pickup on regular garbage days | Until November 30 or the first winter snowfall

How to Prepare Leaves
• Place leaves curbside in Coralville biodegradable yard waste bags ($1 each; available at Coralville Hy-Vee, Lenoch and Cilek Ace Hardware, Theisen’s, and City Hall)
• Place leaves curbside in a 33-gallon container with an annual yard waste sticker ($25; purchase at City Hall)
• Mulch/compost leaves for your own use

Leaf Collection Tips
• Don’t place leaves in plastic bags; they cannot be recycled
• Don’t rake leaves into streets, ditches, or drainage ways—this clogs storm drains
• Loose leaf piles are not collected
