A SUMMER OF CELEBRATIONS

Coralville welcomes longer days and warmer weather with community festivities, neighborhood gatherings, sports, summer reading, entertainment, the Farmers' Market, and a free community meal.
From the 1929 Coralville Fire Department Bylaws:

“All officers and members of the department shall regularly be present in the town and they shall not be absent from the town periodically. The Fire Chief is empowered to call upon all able bodied persons over sixteen years of age to assist the fire department when necessary.

“The Fire Chief at the time of fire may require the owner of any team of horses or automobile or any citizens to assist in hauling fire fighting apparatus to the fire and he shall have power to require citizens to assist in the removal of property endangered by fire.”

The Coralville Fire Department celebrates its 90th anniversary in 2019. Established in 1929, the department’s first “fire truck” was a two-wheeled cart with 1,000 feet of hose, hitched to a vehicle or pulled by hand. The fire house was a garage rented from Mayor Koser for $3 a month.

In 1937, a fire truck was purchased to replace the hose cart, and a new two-stall fire station was built across the street from City Hall, then located on 2nd Avenue, for $965 — $600 for the fire house, plus $365 to fireproof the building.

In 1967, the department moved into the building which currently houses the Coralville Police Department. In 1969, the City annexed the Oakdale area, and the Oakdale Fire Department’s 1953 pumper was turned over to the Coralville Fire Department.

In 1985, the department moved into the newly-built Station 1 on 5th Street. As the department—and the city—continued to grow, so did the need for an additional fire station. In 2009, construction of Station 2 on Holiday Court was complete. The addition of a second fire station decreased the response time for the north side of the city.

A firefighter residency program was launched, providing the opportunity for resident firefighters to serve on the Coralville Fire Department and live at the station in a private dorm room. In 2013, major improvements to Station 1 were completed, including a two-story addition of 4,300 square feet and additional dorm rooms for the firefighter residency program.

The City’s fire protection classification has continued to earn upgraded ratings. The Insurance Services Office (ISO) analyzes municipal fire protection services in communities throughout the United States on a scale of 1 to 10, with 1 being the highest possible ranking. Many insurers use ISO’s Public Protection Classifications for underwriting and calculating insurance premiums for residential, commercial, and industrial properties. A steady climb up the ladder reflects the work and investment both the Fire Department and the City have put forth in Coralville’s fire protection services: Coralville’s ISO classification was a Class 6 in 1984, rose to a Class 4 in 2004, and in 2009 Coralville achieved a Class 3 rating. In 2013 and again in 2018, the City earned a Class 2—a ranking which puts the department in the top 3% nationally.
Iowa Firefighters Memorial

Coralville is home to the Iowa Firefighters Memorial, making Iowa the first state to have a dedicated memorial park to honor the service of firefighters in the state. Located off 1st Avenue just north of Interstate 80 exit 242, the Iowa Firefighters Memorial is open 365 days a year. Construction began in 1992 and finished in 1994. The memorial park includes a memorial wall, sculpture, eternal flame, and visitor center.

The memorial wall lists the names of Iowa firefighters who died in the line of duty, firefighters who served ten years or more who have passed away, and firefighters who died while an active member of a fire department. Each June, a memorial service is held at the Iowa Firefighters Memorial to honor those added to the memorial wall. 2019 marks the 25th memorial service.

Did You Know?

Coralville’s Fire Rescue Training Facility, built in 2007 and located west of 1st Avenue and south of Interstate 80, is a comprehensive regional training center. It includes a two-level state-of-the-art burn building, a four-story training tower, confined space tunnels and props, a flammable gas area, extrication pad, helicopter landing zone, and a pond to train for ice and water rescues and rescue diving. The facility is used by fire departments, law enforcement, and public emergency organizations throughout the region. Learn more at www.coralville.org/fire.

Today, the department is staffed with over 40 volunteers and five paid members, and provides fire, medical, hazardous material, and water rescue services for Coralville, East Lucas Township, and the University of Iowa Research Park. The Coralville Fire Department also provides proactive prevention services such as site plan reviews, and gives back to the community through fire safety education and local projects.
Beekeeping & Chickens: The Scoop on Urban Livestock

The desire for fresh, homegrown food has made urban farming a popular hobby. Before investing in supplies, check your local ordinances and zoning regulations.

Coralville does not permit residents to raise, keep, or maintain livestock within the city limits, except in districts zoned for agriculture. The term “livestock” includes animals belonging to the bovine (cows), caprine (goats), equine (horses), ovine (sheep) or porcine (pigs) species; ostriches, rheas, and emus; farm deer; or poultry (chickens, ducks, turkeys, and geese) (City code Ch. 55.01.18 and Ch. 55.12).

This also includes raising backyard chickens and beekeeping (apiculture).

For more information on property zoning, please contact the Building Department at 319.248.1720 or visit www.coralville.org/building.

To make a livestock complaint, please contact Animal Control at 319.248.1800.

Don’t Be in the Dark about Street Lights

When a new street is constructed or a request is made to add street lights, specific criteria are used to determine where roadway lighting is placed. As a general rule of thumb, street lights are placed at all intersections, and at mid-block if the blocks are more than 600 feet in length. Street lights may be spaced closer in busy pedestrian corridors such as 5th Street, or along high traffic volume streets such as 1st Avenue or Highway 6, as determined by an engineering traffic study.

Street lights are not intended to light yards or pedestrian paths on a typical street. If you are concerned about lighting in your neighborhood, remember that exterior house lights and post lights can illuminate your driveway, entrance, and the sidewalk in front of your home, while security lights can light up secondary entrances. Accent and landscape lighting can help give the feeling of safety, while limiting the amount of light pollution.

The majority of street lights in Coralville are owned and maintained by Linn County REC and MidAmerican Energy; the City owns and maintains some decorative streetlighting throughout Coralville. Learn more at www.coralville.org/streetlights.

Fireworks Are Banned in Coralville

If you are thinking about lighting off fireworks in Coralville, think again. It is illegal to use fireworks in Coralville, with the exception of fireworks displays handled by insured operators and approved by the City. Violators face a minimum fine of $250 and can be held liable for any damages they cause. Many surrounding communities also prohibit their use.

Even though fireworks can be sold in Coralville, they can’t be used in Coralville. The State legalized the sale of consumer fireworks, but a city ordinance regulates their sale: selling fireworks in Coralville has specific requirements and requires a permit from the Coralville Fire Department.

If not putting on your own backyard fireworks display fizzles your fun, remember that novelty fireworks—sparklers, snakes, or snaps—remain legal.

Report illegal fireworks: Call the Police non-emergency line at 319.248.1800 and provide the location and any additional information. Police will respond to fireworks-related calls as officers are available. Only call 911 for emergencies.

Where to see fireworks: Don’t miss Coralville’s annual 4thFest fireworks display on July 4 in S.T. Morrison Park beginning around 9:45 pm. Coralville’s fireworks are discharged by trained pyrotechnicians from the Coralville Fire Department.
CAN I COMPOST MY FOOD WASTE IN A BIN AT THE CURB?

Coralville residents with curbside yard waste collection may compost food scraps or other organic materials in Coralville biodegradable yard waste bags or a 33-gallon container with a yard waste sticker during the months that yard waste is collected (typically late March through late November, weather dependent). No special composting cart is needed. Yard waste picked up in Coralville’s curbside program is taken to the compost area at the Iowa City Landfill.

The City’s yard waste collection program serves single family and duplex housing. If you live in an apartment or condo, contact your property manager or home owners/condo owners association to ask how to best recycle organic food waste.

For more information about the yard waste collection program, call 319.248.1740 or visit www.coralville.org/yardwaste.

FOOD WASTE & YARD WASTE TIPS

- To reduce mess, the Iowa City Landfill recommends wrapping food waste in newspaper, or in ASTM D6400 certified-compostable bags, before placing food waste in a yard waste bin or bag.
- Remember that regular trash bags and plastic bags are not compostable, and yard waste bins/bags with these will not be collected.
- Full yard waste bags and containers cannot weigh over 40 pounds.
- If you use a yard waste bag, only Coralville biodegradable yard waste bags will be picked up; other types of yard waste bags will not be picked up.

CAN I BUILD A DECK OR FENCE?

If a new deck or fence is in your summer plans, remember that a permit is required. This ensures that construction follows current building codes to protect your safety as well as the investment in your home.

DECKS

A building permit is required to build a deck. A completed building permit application (available at www.coralville.org/buildingpermit), a site plan, and a drawing or deck plan showing all dimensions (including dimensions for hand railings, stairs, and locations of post holes) are required. The permit fee, which includes all inspections, is based on the project value.

FENCES

Fence installation requires a fence permit. To apply, complete and submit a fence permit application (available at www.coralville.org/fences) and a basic site plan. Fence installation can begin after permit approval and payment of the permit fee. Contact Iowa One Call at 1.800.292.8989 or www.iowaonecall.com at least 48 hours prior to digging so that underground facilities can be marked.

For more information, contact the Building Department at City Hall, 1512 7th Street, at 319.248.1720, weekdays 8:00 am to 5:00 pm, or visit www.coralville.org/building.

**Summer 2019**
They’re back!
The Sidewinders return to open the 4thFest concert.

With a stage presence and enthusiasm that make them a crowd favorite among all ages, this energetic band performs current pop hits and rock classics, and features vocals backed by electric guitars, keyboards, percussion, and a three-piece horn ensemble. They have performed at the Iowa State Fair, festivals throughout Iowa, and military events, and opened the 4thFest concerts for Loverboy, Tommy James & The Shondells, and The Oak Ridge Boys.

The Sidewinders is a musical performance team under the 34th Army Band, which is made up of citizen soldiers whose civilian occupations include teachers, salespersons, corporate management, engineers, and students. The 34th Army Band, Iowa Army National Guard, is stationed in Fairfield, Iowa and is the only military band in the state.

Journey

With unforgettable songs like “Open Arms,” Journey former lead vocalist Steve Augeri will headline this year’s free 4thFest concert against the backdrop of a summer evening.

Journey former lead vocalist Steve Augeri will headline Coralville’s free concert in S.T. Morrison Park.

From the heart of Brooklyn, New York, to the city by the bay and world over is Steve Augeri. Since 1973, Journey has sold nearly 90 million albums worldwide and cemented their reputation as one of America’s most beloved and accomplished rock and roll bands in history.

In 1998, Steve Augeri debuted on the seven-times platinum Armageddon soundtrack, continuing the legacy as the supergroup’s lead vocalist. For nearly a decade, Steve recorded three albums and performed on multiple world tours to millions of adoring fans.

Known for his soaring vocals, gritty tenor, and powerful stage presence, Steve Augeri brings his signature blend of rock and soul into every event, singing the songs that made Journey famous, including “Don’t Stop Believing,” “Faithfully,” “Any Way You Want It,” “Wheel in the Sky,” and many more.
In 1790, Thomas Jefferson directed the first census of the United States. As required by the U.S. Constitution, a census has been taken every ten years thereafter. April 1, 2020 is Census Day. The U.S. Census Bureau is dedicated to counting everyone once, only once, and in the right place. The distribution of Congressional seats to states and the allocation of more than $675 billion in federal funds is based on this decennial count.

Beginning in 2020, it will be easier than ever to respond to the census. For the first time, you will be able to respond online, by phone, or by mail. Responses are safe and secure, and confidentiality is protected by federal law.

**How can you help?** The Census Bureau is hiring. Apply online at [2020census.gov/jobs](http://2020census.gov/jobs). Office and field positions available. More information also available at 1-855-JOB-2020. The U.S. Census Bureau is an Equal Opportunity Employer.

Watch for more information in the coming months as we count down to Census 2020.
About Xtream Arena

Xtream Arena will be an approximately 5,100-seat multi-purpose facility located at the corner of E. 9th Street and 2nd Avenue, and will be a significant addition to the riverfront recreation and entertainment in the Iowa River Landing.

The Arena will contain a full-size sheet of ice to support the University of Iowa club hockey team and Iowa City/Coralville youth hockey teams, and developers are targeting a USHL or ECHL collaboration. The Arena will also be the new home for the University of Iowa women’s volleyball team.

The Fieldhouse, immediately adjacent to the Arena, will be approximately 53,000 square feet—large enough to fit five full-sized basketball or volleyball courts. The facility will have the flexibility to host a number of athletic events and tournaments—from wrestling and basketball to indoor football and soccer—and will also be capable of hosting special events such as concerts and graduation ceremonies, with accessibility to the main event level and temperature control.

A Staybridge Suites hotel will be attached to the west side of the building, and the Johnson County Historical Society, Hawkeye Model Railroad Club, and the Antique Car Museum of Iowa will all have new facilities in the lower level of the building, along with additional mixed-use office and retail space.

Watch a flythrough rendering of Xtream Arena at www.xtreamarena.com

Seat Sponsorship YES! I’d like to sponsor a seat in the new Xtream Arena.

I understand recognition will be given on the concourse level wall among other sponsors.

1st Avenue Improvements Near the Finish Line

6th Street to 9th Street
Major road reconstruction on 1st Avenue between 6th Street and 9th should be substantially complete in late May. This is the final section of 1st Avenue to be improved south of Interstate 80.

This reconstruction project started in the spring of 2018 and features:

- Four through lanes and one continuous center turn lane
- 10 foot wide sidewalks on both sides
- Upgraded traffic signals at E. 7th Street
- New traffic signals at 6th Street with a new four-leg intersection at 1st Avenue and 6th Street to accommodate a future connection of E. 2nd Avenue on the east leg
- New public utilities (storm sewer, sanitary sewer, and water main)
- Lighting and streetscaping

LEARN MORE >>>> www.coralville.org/finishing1st

Get the Scoop on the Iowa River Trail Connection
A section of the Iowa River Trail stretching from the Iowa River Power Restaurant parking lot to the corner of E. 7th Street and Quarry Road has been closed since fall 2017 due to construction on multiple projects in the Iowa River Landing which directly impact the trail. At times, the closed trail section has been under 20 feet of soil.

Reopening this section of trail as soon as possible is a priority. The timing of each project, as well as the weather, affects the timeline, and staff assess the trail status each week. As soon as construction is complete on the projects which will use the dirt stockpiled in the area, the trail connection will be restored.
Coral Ridge Avenue
Construction in the
Home Stretch

Oakdale Boulevard to Forevergreen Road

The total reconstruction of Coral Ridge Avenue from Oakdale Boulevard to Forevergreen Road is the final section of Coral Ridge Avenue to be improved. Coral Ridge Avenue will remain one lane in each direction between Oakdale Boulevard and Forevergreen Road until the project is substantially complete in late June.

This project features:

✔ Four lanes (widened from two lanes), with a raised center median and dedicated turn lanes at all intersections
✔ Upgraded traffic signals at both Oakdale Boulevard and Forevergreen Road
✔ New traffic signals at both University Parkway and Wheaton Road
✔ Sidewalk and trail connections, including through the new pedestrian underpass north of Oakdale Boulevard
✔ New 10’ trail along the west side of Coral Ridge Avenue
✔ New storm sewer system
✔ Stormwater bio-retention cells along both sides of Coral Ridge Avenue to help remove pollutants from street runoff
✔ Roadway lighting and landscaping, including street trees

LEARN MORE >>> www.coralville.org/CoralRidgeAve

Clear Creek Trail

The Clear Creek Trail, which currently runs south of Highway 6 along Clear Creek for 4.3 miles, is being extended from east of Deer Creek Road to Creekside Ballpark, and then under bridges on both Interstate 80 and Interstate 380 to connect with Tiffin’s Clear Creek Trail west of Interstate 380. The 1.9 mile, 10-foot wide paved trail also includes two bridge crossings over Clear Creek.

If conditions are dry enough following a wet spring, the trail segment running from east of Deer Creek Road to Coralville Creekside Ballpark at the west end of 340th Street may open in early summer. However, the trail connections under both I-80 and I-380 will not be paved for at least two more years due to the I-80 /I-380 interchange project that will reconstruct multiple interstate bridges over the trail connections.
SUMMER READING PROGRAM

CHILDREN’S SERVICES
EVENTS FOR BABIES THROUGH 6TH GRADERS:

Children under Age 3 & Caregivers | Wee Read Thursdays | 10:15 or 11:15 am (Program is repeated). Young children and their caregivers can enjoy rhymes, songs, finger plays, and books. Approximately 25 minutes.

Preschool & Kindergarten | Tuesdays | 10:30 am
A combination of stories, songs, crafts, special guests, or other fun activities. Approximately 1 hour.

Grades 1-4 | Wednesdays | 1:00 pm
Stories, crafts, special guests or other fun activities. Approximately 1 hour.

Grades 5 & 6 | Thursdays | 2:00 pm
Crafts, games, STEAM fun, and of course, reading! Approximately 1 hour.

Families | Saturdays | 10:30 am
Children and their families spend time together listening to stories, music, and poems. Approximately 30 minutes.

Family Night at the Library | All are welcome!
June 3 | 6:00 pm The Lego Movie 2: The Second Part (PG)
June 10 | 6:30 pm Storyteller Darrin Crow
July 15 | 6:30 pm Magic Show with Rick Eugene

Doctor Who Week for Teens and Adults
Call the Doctor! The Dalek are invading the library in July!

July 4-20 | The Dalek invade! Share your invasion photos on social media #cpldalekinvasion.
July 15-20 | The TARDIS arrives! Take your picture with the TARDIS in the library rotunda.
July 15 | Doctor Who party Crafts, scavenger hunt, and snacks. Whovians unite!
July 16 | Hawkeyes in space The Doctor isn’t the only space traveler! Space physicist George Hospodarsky will speak about the University of Iowa’s involvement in the space program from the 1950s to the present.
July 17 | Movie night Bill and Ted’s Excellent Adventure (PG).
All July | Virtual reality headsets Explore space at the Annie Gill Craft Table.

Summer Reading Kickoff
Wednesday, May 29 | 5:00-6:30 pm
Five...four...three...two...one—blast off at the Coralville Public Library into A Universe of Stories! Enjoy out-of-this-world guest performances, create, learn, explore, and of course, READ during our Summer Reading Program. See www.coralvillepubliclibrary.org for details, dates, times, and intended audience.

To sign up for the summer reading program:
• Register at the Summer Reading Program Kickoff on May 29
• Sign up for the library or at www.coralvillepubliclibrary.org beginning May 30

Thank you to Hills Bank, the Friends of the Coralville Public Library, and many local businesses for making the Summer Reading Program possible.

Children’s Summer Reading Program
For babies-6th graders
REWARDS
• Wee Readers: board book from Hills Bank
• Preschoolers-6th graders: t-shirt from Hills Bank and a book halfway
• 5th & 6th graders: eligible for more prize drawings

Teen Summer Reading Program
For 7th - 12th graders
Join us for an action-packed summer at the Coralville Public Library!
• Teen activities on Mondays at 2:00 pm
• Games, movies, crafts, Doctor Who, volunteer opportunities, contests, and other activities throughout the week
• Earn prizes by reading and participating in library events
• Visit http://coralvillepubliclibrary.org/teens/srp for the Teen Summer Reading Program calendar and special events

Adult Summer Reading Program
Explore the universe from the comfort of your own home this summer!
• Read six books of your choice (audio books and ebooks count!) by August 1 to be entered into our prize drawing for a chance to win a tablet, book store gift certificates, and Co-op Café gift certificates.
• We will feature the ever-popular patron picks display all summer long.
• Whether you’re up for a challenge or ready to kick back with some beach reads, there’s something in the library for you.

SUMMER 2019
ADULT DISCUSSION GROUPS

Adult Discussion Conversations at the Coralville Public Library

Third Thursday of the month | 7:00 pm

A book discussion group focused on both classic novels and recent works of fiction and nonfiction.

June 20 | This Blessed Earth by Ted Genoways
In this year’s All Iowa Reads book, follow a year at the Hammond family farm, where the fifth generation tries to keep the farm going despite global, corporate, and environmental threats.

July 18 | Mrs. Dalloway by Virginia Woolf
The story moves back and forth through time as Mrs. Dalloway prepares to host a high society party in post-World War I England. This critique of the conservatism and traditionalism of the era examines the tragedy of the “lost generation” that fought during the Great War.

August 15 | The Hours by Michael Cunningham
Interweaving the last days of Virginia Woolf and a modern-day Mrs. Dalloway preparing a party for a friend dying of AIDS, this is a homage to Wolf and a classic in its own right.

A UNIVERSE OF MOVIES

A summer film series. Refreshments, including fresh popcorn, are provided. | 6:00 pm

First Man (PG-13) | Wednesday, June 5

Interstellar (PG-13) | Wednesday, June 12
A team of explorers undertakes the mission of traveling beyond this galaxy to see if mankind has a future among the stars.

This J.J. Abrams reboot of the classic science fiction TV series casts Chris Pine, Zachary Quinto, Zoe Saldana, Simon Pegg, and Anton Yelchin.

2001: A Space Odyssey (PG) | Wednesday, June 26
This classic 1968 Stanley Kubrick film, based on an Arthur C. Clarke story and enhanced by the strains of Strauss, is a meditation on technology and humanity years before its time.

The Last Starfighter (PG) | Wednesday, July 10
This 1984 film stars Lance Guest as a trailer park teen who sets records on a Starfighter video game. An intergalactic recruiter sees his promise and recruits him to help save the galaxy.

It’s a Mystery

Second Wednesday of the month | 10:00 am

Gather for a lively and informal discussion of crime fiction—from hardboiled detective novels, cozy mysteries, or thrillers to genre hybrids.

June 12 | Force of Nature by Jane Harper
Five women go on a corporate hiking trip. Only four emerge. Each tells a different story about the colleague who went missing.

July 10 | Sadie by Courtney Summers
Sadie spent her life raising her sister Mattie. Then one day Mattie is found dead. Follow Sadie’s journey to find her sister’s killer, aided by a radio DJ who takes up the cause.

August 14 | The Word is Murder by Anthony Horowitz
Horowitz pens a novel about a man by the same name who chronicles the life of a detective investigating a woman who died six hours after planning her own funeral. Horowitz’s book is a homage to Holmes and Watson and a mystery all on its own!

LitFlicks

A book-based film series for adults. Refreshments, including fresh popcorn, are provided.

Thursday, August 29 | 6:00 pm

Captain Marvel (PG-13)
Follow one of the universe’s most powerful heroes when Earth is caught in the middle of a galactic war between two alien races. Based on the Marvel Comics character.

Check out a Mobile Hotspot

Need more Internet? We can help! Check out a mobile hotspot which provides wireless service to any wi-fi-enabled device while on the go. Ask at the circulation desk for details.

Book Cart at the Farmers’ Market

Everyone gets a book when the Friends are at the Coralville Farmers’ Market. The first book is free and the Friends ask for a freewill donation for any books after the first.

Find them at the Coralville Farmers’ Market from 5:00-7:00 pm on May 13, June 10, July 15, August 12, September 16, and October 7 (for information about the Farmers’ Market, see page 14).
Make it a Market Monday

Discover fresh baked goods, locally-grown produce, farm fresh eggs, flowers, jams and preserves, local honey, wine, handmade arts and crafts, and jewelry from local vendors — right in the heart of Coralville!

MARKET GIVEAWAY

Visit the Market on the third Monday of the month for a chance to win a basket filled with products donated by Market vendors! The drawing is free and takes place at 5:30 pm. Must be present to claim prize.
CONCESSIONS
Daily 12:00 pm-6:00 pm
“The Patio” offers hamburgers, cheeseburgers, hot dogs, pizza slices, shaved ice, Dippin’ Dots, and more! Ask about our healthy snack options.

Tall Grass & Weeds

If you own property in Coralville, you are responsible for keeping it mowed and trimmed. The weather, personal preference, time, and resources impact how often a property owner maintains their yard. When lawns get lengthy, the City inspects properties when a complaint is made. The following can help property owners, renters, and neighbors understand how the City deals with tall grass and weeds.

How tall is too tall?
To avoid health, safety, or fire hazards, the maximum height allowed for grasses, weeds, and other vegetation is 10 inches. Weeds tend to grow faster than grass, but the majority of the grass and weeds in lawn areas must not be taller than 10 inches (garden plants and ornamental grasses are excluded).

My neighbor’s lawn is over 10 inches tall. What can I do?
✓ If your neighbor’s lawn is long, and if you feel comfortable and are able to lend a hand, ask to help your neighbor. Acts of kindness help to build strong neighborhoods.
✓ If you have a friendly relationship with your neighbor, try talking nicely with them about your concerns. You may find they already have plans to take care of the problem.
✓ If you don’t feel comfortable talking face to face with your neighbor and it’s a habitual problem, is a health or safety hazard, or affects the quality of life in the neighborhood, report the issue.

How do I make a nuisance report?
Call City Hall at 319.248.1700 or report the issue at www.coralville.org/letusknow. Be sure to include accurate addresses, descriptions, or street names.

What can I expect from the City?
Nuisance reports are typically inspected within two business days as weather and staffing allow; hazardous issues are given priority. If no violation is found, no further action is taken. If the property is found within violation:
1. The City posts a notification on the property with a deadline to correct the violation. In the case of a registered rental property or vacant lot, the City also attempts to notify the property owner directly.
2. Then the City re-inspects. If the violation remains, the City hires a contractor to mow and trim the property at the owner’s expense. This typically happens within two days to a week, weather permitting.
3. If there are additional violations during the season, the City hires a contractor at the property owner’s expense, plus an administrative fee.

FOR MORE INFORMATION call City Hall at 319.248.1700 or visit www.coralville.org/letusknow.
Whether you know your neighbors or not, National Night Out is one night a year for neighbors to connect while strengthening police-community relationships. On Tuesday evening, August 6, all Coralville neighborhoods are invited to take part in the 36th annual National Night Out. Turn on your porch light, lock your door, go outside, and get to know your neighbors!

The Coralville Police Department invites neighborhoods to get together and host block parties on August 6. The block parties give neighbors a chance to meet through simple potlucks, backyard barbeques, driveway dinners, or neighborhood events with music or kids' activities. Neighborhoods can host a party in a way that best suits their neighborhood. Representatives from the Coralville Police Department, Fire Department, and City Council will get out and visit as many registered parties as they can.

National Night Out is a night for neighbors to get to know each other, and to get to know local law enforcement. Strong neighborhood ties can build community partnerships and create watchful eyes in neighborhoods, which help to promote crime prevention. Millions of people and thousands of communities from all 50 states, U.S. territories, Canadian cities, and military bases are expected to participate worldwide on August 6.

Let us know if you’re hosting a neighborhood block party so we can visit! Register your party and get planning tips at www.coralville.org/NationalNightOut. Registrations are due by July 30. For more information, contact the Coralville Police Department at 319.248.1800 or visit www.coralville.org/NationalNightOut.
The Coralville Connection is published quarterly for the citizens of Coralville, Iowa, to keep them informed of city policies and developments. If you have comments or suggestions concerning this or future issues, please contact:

Sewer Rates Change July 1

The rate changes were approved by the City Council following a review and public hearing for the budget for the fiscal year that begins on July 1.

<table>
<thead>
<tr>
<th>Monthly Sewer Rate</th>
<th>Until June 30, 2019</th>
<th>Effective July 1, 2019</th>
</tr>
</thead>
<tbody>
<tr>
<td>First 200 cubic feet</td>
<td>$12.50</td>
<td>$13.75</td>
</tr>
<tr>
<td>Each additional 100 cubic feet</td>
<td>$4.00</td>
<td>$4.40</td>
</tr>
</tbody>
</table>

The sewer rate increase will provide resources for the City to finance a significant planned sewer treatment plant project that is currently underway. This project will be permanently financed in Fiscal Year 2021. The improvements are designed to accommodate Coralville’s growth for the coming 20 years.

Water Report Available Online

Coralville’s annual Consumer Confidence Report from the Coralville Water Department is available at www.coralville.org/WaterReport. Copies are available by request at utilitybilling@coralville.org or 319.248.1770.
