An innovative stormwater project along Coral Ridge Avenue results in the longest stretch of green infrastructure in Iowa.

— page 8

A crew installs aggregate and amended soil during construction of a stormwater bioretention cell.
No Wipes in the Pipes

Disposable wipes like personal hygiene wipes, baby wipes, cosmetic wipes, and cleaning wipes are convenient, but when thrown away in the wrong place, they can cause a stink. Many wipes do not break down quickly enough to avoid clogging pipes—and this can cause problems in the sanitary sewer line in your home and the city sewer main. Instead, place used wipes where they belong: the garbage.

I found a dead animal. Who do I call?

If a dead animal is found:
• In the road or in the right of way in Coralville, call the Streets Department at 319.248.1740.
• On City property such as in a park or on a trail, contact the Parks Department at 319.248.1780.
• On private property, the property owner must move the animal to the curb; call the Coralville Streets Department at 319.248.1740 to pick it up.
• With a collar or identification, or if you believe the animal is a pet, call the Coralville Police Department at 319.248.1800. Officers will attempt to locate the owner.

Back-to-School Traffic Safety

• Do not pass a school bus with a stop arm extended or flashing red or amber lights; it is illegal. This can result in a citation of at least $250 or up to 30 days in jail, and a 30-day suspension of your driving privileges.
• If you are on a two- or three-lane road, and a school bus is going the opposite direction with flashing amber lights, slow down to no more than 20 mph and prepare to stop. Stop in front of the bus when the bus stops and has a stop arm extended.
• When approaching a marked school zone, obey the posted speed limit and watch for children crossing the street.

Coralville police officers patrol school zones before and after school every day to ensure the safety of our community’s children. Do your part and obey the laws in and around our neighborhood school zones. Learn more at www.iowadot.gov/schoolbus.

Someone came to my door to sell something. Is this allowed?

Non-profit organizations (like Girl Scouts, Boy Scouts, and school booster clubs) do not need a permit to sell door-to-door in Coralville.

However, any other solicitors who knock on your door to sell you something must have a permit issued by the City Clerk; this permit should be with them and they must show it when asked. Solicitors in Coralville are only allowed to conduct business between 8:00 am and 7:00 pm, Monday through Saturday. If they are unable to produce a permit, sell outside those hours, or seem suspicious, contact the Coralville Police Department at 319.248.1800 to report the incident.
How to Get Rid of Household Hazardous Waste

Hazardous waste can be found throughout the home. Words such as DANGER, WARNING, and CAUTION on the labels are signals of hazardous waste. Never put hazardous chemicals in your garbage, down the drain, in storm drains, or in our waterways.

Household Hazardous Waste Drop-Off
Friday, October 4, 2019 10:00 am-1:00 pm
Aquatic Center parking lot (1512 7th Street)

Coralville residents can bring up to one box of household hazardous waste for free, safe disposal (note: latex paint is not accepted; dry out latex paint and put it in the trash).

WHAT TO BRING
• Garage: antifreeze, brake, transmission, and lighter fluid; gasoline; kerosene; oil; battery acid; and auto batteries
• Workshop: oil-based paint, adhesives, solvents, strippers, stains, varnishes, and thinners
• Lawn/Garden: weed killer, fertilizer, pesticides, and bug spray
• Kitchen: floor care products, furniture and metal polish, and oven and drain cleaner
• Bathroom: disinfectant, toilet bowl and abrasive cleaners, mildew remover, and hair removers
• Misc: moth balls, photo developers, shoe polish, nail polish and remover, syringes, art supply chemicals, fluorescent lights, LEDs, CFLs, and cell phone batteries

Sponsored by the City of Coralville in partnership with the Iowa City Landfill and Recycling Center. For more information, contact Dawn Stoddard Baker at 319.248.1720.

CAN’T MAKE THE DROP-OFF EVENT?
Get rid of residential household hazardous waste year-round by appointment at the Hazardous Waste Collection Facility at the Iowa City Landfill and Recycling Center (3900 Hebl Ave. SW, Iowa City). Call 319.356.5185 for an appointment.

COUNTDOWN TO THE 2020 CENSUS
Did you know that the census impacts our community?

As required by the U.S. Constitution, a census is taken every ten years. April 1, 2020 is Census Day. The goal of the U.S. Census is to count every person living in the United States once, only once, and in the right place.

Your response is important and directly impacts Coralville and Johnson County. The census is much more than just a head count. It helps determine where to build new schools, hospitals, and businesses. It also helps us see how our communities have changed over time. It affects how congressional seats are apportioned. The allocation of more than $675 billion in federal funds is based on the census count.

Responding to the 2020 Census will be easier than ever. For the first time, you will be able to respond online, by phone, or by mail. Responses are safe and secure, and confidentiality is protected by federal law.

How can you help? The Census Bureau is hiring. Apply online at 2020census.gov/jobs. Office and field positions available. More information also available at 1.855.JOB.2020. The U.S. Census Bureau is an Equal Opportunity Employer.

For more information about Census 2020, visit www.coralville.org/census or 2020census.gov.
WHAT TO DO WITH OLD PUMPKINS

After tricks and treats are done:

1. Remove anything non-organic from your pumpkins, like candles.
2. Put pumpkins in your yard waste (and not your garbage).

Tip: Pumpkins can be heavy, and yard waste bags or containers cannot weigh over 40 pounds.

Why pumpkins don’t belong in the trash: When a pumpkin gets tossed in the garbage it winds up in the landfill. There, it rots and emits methane gas, a greenhouse gas. Yuck!

Why pumpkins make good compost: Pumpkins are 90% water and decompose easily, so if you have a compost bin they’re an ideal addition toward a nutrient-rich compost mix. Turn that ghastly gourd into something that’s good for the earth!

FALL CLEANUP AT OAK HILL CEMETERY

Staff will remove floral arrangements and decorations in early November for the annual fall cleanup at Oak Hill Cemetery, which helps maintain and preserve the appearance of the cemetery.

Families and friends maintaining plots should remove flowers and decorations not contained on the monument or foundation before November 1. If you have loved ones in Oak Hill Cemetery and have graveside items you wish to keep, please visit the gravesite and remove the items prior to cleanup. For more information, please call the Coralville Parks Department at 319.248.1780.
**DID YOU KNOW?**

The leaves picked up in the curbside yard waste collection program are taken to the Iowa City Landfill's compost facility, where they are an important ingredient in making nutrient-rich compost.

---

**Do your trees and bushes hang over the curb or crowd the sidewalk?**

Public streets and sidewalks are for everyone’s use. But when overgrown plants or bushes crowd the sidewalk, or when tree limbs hang too low above the walkway or street, they are more than a hassle: they are a hazard.

Overgrown vegetation can block visibility and contribute to accidents. Limbs hanging over sidewalks can send a bicyclist to the ground, and tree limbs that hang too low over the street can be damaged—or even cause damage—when vehicles cannot clear them.

Check the trees and shrubs on your property and remove any vegetation that blocks or grows into the sidewalks, or hangs too low over sidewalks or streets. City code (150.13) requires:

- A minimum clearance of 15 feet over streets
- A minimum clearance of 9 feet over sidewalks
- Trees or shrubs should not block street lights, or the view of traffic signs or any intersection

If your limbs are due for a trim, check with a tree care professional about the best time of year for pruning.

---

**Brush & Tree Limbs**

Curbside pickup on regular garbage days until late November, weather permitting

**How to prepare brush and tree limbs:**
- Securely tie brush and tree limbs in bundles
- Bundles should be no greater than 18 inches in diameter
- Individual limbs must be no larger than 2 inches in diameter and 4 feet long
- Put the bundles at the curb. Stickers are not required; there is no charge for the pickup

---

**Fall Leaves**

Yard waste is picked up on trash/recycling days until late November, weather permitting, for single family and duplex housing.

**How to prepare leaves:**
- **Yard waste bag:** Put leaves curbside in Coralville biodegradable yard waste bags ($1 each; buy at Coralville Hy-Vee stores, Theisen’s, and City Hall)
- **Container:** Put leaves curbside in a 33-gallon container with an annual yard waste sticker ($25; buy at City Hall)
- **Mulch/compost** leaves for your own use

---

**Leaf Collection Tips**

- Loose leaf piles are not collected
- **Use only Coralville yard waste bags;** other bags will not be picked up
- **Don’t** place leaves in plastic bags; they cannot be recycled
- **Never blow or rake your leaves into the street.** Loose leaves in the street can clog storm drains, block the flow of stormwater runoff, and carry lawn pollutants into waterways. Pushing your leaves into the street also creates a hazard for bicyclists traveling near the curb. If there are loose leaves that have fallen into the street gutter in front of your home, consider being a good neighbor and rake them up.

---

In the fall of 2019, the City will inspect Zone 4 in Coralville, located north of Interstate 80, south of Oakdale Boulevard, east of 12th Avenue, and west of 1st Avenue. Staff will also inspect low-hanging trees and shrubs throughout Coralville on a complaint basis year-round; property owners are notified when trimming is needed.

For more information, call 319.248.1780 or contact Alex Buhmeyer, Parks Superintendent, at abuhmeyer@coralville.org; or Josh Worrell, Wetland and Native Vegetation Specialist, at jworrell@coralville.org.
Fire Prevention Week October 6-12

Home fire escape planning and drills are an essential part of fire safety. Make a fire escape plan and practice it before a fire strikes.

**HAVE A FIRE ESCAPE PLAN**
- Draw a map of each level of the home, showing doors and windows. Go to each room and point to the two ways out.
- Know who will help kids, older adults, and people with disabilities wake up and get out.
- Teach children how to escape on their own in case you cannot help them.
- Pick a meeting place outside and away from the home after exiting.
- Have properly installed and maintained smoke alarms.

**PRACTICE YOUR PLAN**
- Push the smoke alarm button to start the drill.
- Practice what to do in case there is smoke: get low and go, and get out fast.
- Use different ways out and close doors behind you as you leave.
- Never go back for people, pets, or things.
- Go to your outdoor meeting place.
- In a real fire, call 9-1-1 from a cell phone or a neighbor’s phone.

**VISIT BOTH FIRE STATIONS!**

**Fire Department Open Houses**
Sunday, October 13
12:00-4:00 pm
Fire Station #1 | 1501 5th Street
Fire Station #2 | 2525 Holiday Court
Stop by for safety demonstrations, truck tours, free popcorn, and refreshments!

**THIS YEAR’S CHILI SUPPER IS AT STATION #2!**

**Fire Department Chili Supper**
Sunday, October 13
4:00-8:00 pm
2525 Holiday Court

Free-will donations will benefit the MDA and the St. Florian Fire & Burn Foundation (UI Miracle Burn Camp) and the Coralville Food Pantry. Vegetarian option available.

**FALL 2019**
UPCOMING EVENTS

**SEPTEMBER**

**MONDAY**

**2**

**LABOR DAY HOLIDAY**

City Offices & Library: Closed
Transit: No buses running
Recreation Center & Indoor Pool: Open; facility hours may vary
Trash & Recycling: No Monday pickup; routes collected one day later than usual the week of September 2

**OCTOBER**

**FRIDAY**

**4**

**HOUSEHOLD HAZARDOUS WASTE DROP-OFF**

When: 10:00 am-1:00 pm
Where: Aquatic Center parking lot (1513 7th Street)
What: Coralville residents can bring up to one box of household hazardous waste for free, safe disposal. For more information, see page 3.

**SATURDAY**

**5**

**COMMUNITY SHRED DAY**

When: 8:00 am-noon
Where: City Hall parking lot 1512 7th Street
What: Residents can bring unlimited cardboard boxes with personal papers to be shredded on-site, sponsored by the City of Coralville

**OCTOBER**

**7-11**

**MAYOR’S FALL CLEAN UP WEEK**

Who: Single family and duplex homes with City trash and recycling services
What: Free pickup of large trash items
When: Set items curbside up to 24 hours before or by 7:00 am on your trash collection day
Accepted: Large items that won’t fit in a bag, like furniture or bathroom fixtures
Not accepted: Appliances, construction materials, electronics, or hazardous materials. For full list, see www.coralville.org/cleanup.
Weight: Items must be able to be reasonably lifted by two people.
Size: Items must fit in the garbage truck. Dismantle large items.
Please: Tag extra garbage bags. Remove unaccepted items from the curb within 24 hours after your trash day.
Metal: Metal is picked up by a separate truck; pickup day may vary
More info: 319.248.1740

**OCTOBER**

**SUNDAY**

**13**

**CORALVILLE FIRE DEPARTMENT OPEN HOUSES**

What: Both fire stations are hosting open houses! Visit the Coralville Fire Department, view fire trucks, talk with firefighters, learn about fire prevention, and enjoy refreshments.
When: 12:00-4:00 pm
Where: Fire Station #1, 1501 5th Street; and Fire Station #2, 2525 Holiday Court
More info: 319.248.1835

**THURSDAY**

**31**

**TRICK OR TREATING**

When: 5:30 to 8:00 pm, rain or shine
Where: Throughout Coralville

**DECEMBER**

**SUNDAY**

**8**

**AISLE OF LIGHTS**

What: Coralville’s 39th annual Aisle of Lights. Sacks and sand are donated by local businesses, and all residents are invited to participate.
When: 5:00 to 9:00 pm. Aisle of Lights is held snow or shine, and will not be rescheduled if the weather doesn’t cooperate. In the event of wind, sleet, or rain, light luminarias as you are able.
More info: www.coralville.org/aisleoflights

**VETERANS DAY HOLIDAY**

City Offices & Library: Closed
Transit: Regular service; free rides for veterans and eligible veterans using ADA paratransit service
Recreation Center & Indoor Pool: Open; facility hours may vary
Trash & Recycling: No Monday pickup; routes collected one day later than usual the week of November 11
Coral Ridge Avenue
Construction in the Home Stretch

Oakdale Boulevard to Forevergreen Road
The total reconstruction of Coral Ridge Avenue from Oakdale Boulevard to Forevergreen Road is the final section of Coral Ridge Avenue to be improved. All mainline traffic lanes of Coral Ridge Avenue are constructed. Intermittent single lane closures in each direction between Oakdale Boulevard and Forevergreen Road are required for installation of the bioretention cells until the project is substantially complete in August. Learn more at www.coralville.org/CoralRidgeAve.

In-Depth: Stormwater Practices on Coral Ridge Avenue
The Coral Ridge Avenue construction project included the addition of 29 bioretention cells, making Coral Ridge Avenue the longest stretch of green infrastructure in Iowa.

Bioretention cells and bioswales extend along Coral Ridge Avenue from Holiday Road to Forevergreen Road. This is the first stormwater project in Iowa to use pre-grown prairie mats that are installed like sod. These mats offer the benefits of prairie, including water filtration and habitat, but with the ease of installation similar to sod. A specially-designed “forebay” filters sediment and trash before water flows into the bioretention cells. This area will be cleaned by municipal employees and will ensure that the bioretention cells keep working for decades.

These bioretention cells are designed to reduce bacteria, nutrients, hydrocarbons, and other harmful urban pollutants that wash off the roadway during storm events. Typically, storm drains deposit dirty runoff water into the nearest creek, but routing stormwater to a bioretention cell first can remove up to 90% of the contaminants before sending the stormwater to the creek.

Coralville and North Liberty—which are both in the Clear Creek and Muddy Creek watersheds—worked together to install this string of bioretention cells across City limits. Both cities serve on the Clear Creek Watershed Coalition and often work together to improve our shared watersheds. The Iowa Department of Agriculture and Land Stewardship’s Urban Water Quality Initiative Grant Program assisted with the cost of implementation. Coralville and North Liberty were selected for grant funding due to the innovative project design.

Clear Creek Trail
The Clear Creek Trail, which runs south of Highway 6 along Clear Creek for 4.3 miles, is being extended from east of Deer Creek Road to Creekside Ballpark, and then under bridges on both Interstate 80 and Interstate 380 to connect with Tiffin’s Clear Creek Trail west of I-380. The 1.9 mile, 10-foot wide paved trail also includes two bridge crossings over Clear Creek.

The trail segment running from east of Deer Creek Road to Coralville Creekside Ballpark at the west end of 340th Street will open in August 2019. However, the trail connections under both I-80 and I-380 will not be paved for at least two more years due to the I-80/I-380 interchange project that will reconstruct multiple interstate bridges over the trail connections.

Fall 2019
If you’ve driven along E. 9th Street in the Iowa River Landing during the spring and summer of 2019, you’ve probably noticed the site of Xtream Arena and Fieldhouse at the corner of E. 9th Street and E. 2nd Avenue. Construction continues to progress on the 5,200 seat multi-purpose facility. The steel structure of the arena itself was complete in June 2019, and work on enclosure systems began in July. The structure of the retail space, as well as the fieldhouse immediately adjacent to the arena, will continue into fall 2019, outlining the full extent of the building footprint. The first slabs were poured in the retail spaces in early July and will continue through November. Construction is expected to be complete in the fall of 2020. For live streaming video of the construction, visit www.xtreamarena.com.

Xtream Arena will be a significant addition to the riverfront recreation and entertainment in the Iowa River Landing. A full-size sheet of ice will support the University of Iowa club hockey team and Iowa City/Coralville youth hockey teams, and developers are targeting a USHL or ECHL collaboration. The Arena will also be the new home for the University of Iowa women’s volleyball team.

At 53,000 square feet, the attached fieldhouse will be large enough to fit five full-sized basketball or volleyball courts. This temperature-controlled space will have the flexibility to host athletic events and tournaments—from wrestling and basketball to indoor football and soccer—and special events such as concerts and graduation ceremonies.

A Staybridge Suites hotel will be attached to the west side of the building, and the Johnson County Historical Society, Hawkeye Model Railroad Club, and the Antique Car Museum of Iowa will all have new facilities in the lower level of the building, along with additional mixed-use office and retail space.

Visit Us at FRYfest
FRIDAY, AUGUST 30, 2019
The arena and fieldhouse team will host a booth at the FRYfest tradeshow. Stop by, see the most up-to-date renderings, and take home new promotional giveaway items!

SIGN THE FINAL BEAM
In late August 2019, Mortenson Construction will top off the arena with the raising of the final beam. This milestone will also celebrate one year until the August 2020 opening.

Prior to the raising, take photos and sign the commemorative beam:
Tuesday, August 20 & Thursday, August 22, 2019
11:00 am-1:00 pm & 5:00 pm-7:00 pm
860 Quarry Road in the Johnson County Historical Society Museum parking lot

COMMUNITY OPEN HOUSES
SAVE THE DATES:
Wednesday, September 18 & Thursday, October 17, 2019
Mark your calendar for two open houses to hear Xtream Arena & Fieldhouse updates!
Hosted by ArenaCo, Spectra Venue Management, and the project team.
Time and location to be determined; stay tuned into social media accounts @XtreamArena or www.XtreamArena.com for information.
CHILDREN’S

CHILDREN AND FAMILY PROGRAMS

Age 3-5 | Preschool Storytime | Tuesdays | 10:30-11:00 am
Listen to stories, sing, and participate in a range of activities planned just for preschoolers. *(Fall session begins August 27)*

Children up to Age 3 & Caregivers | Wee Read | Thursdays | 10:15 or 11:15 am *(Program is repeated; choose either time).* Young children and their caregivers can enjoy rhymes, songs, finger plays, and books. *(Approximately 25 minutes. Fall session begins August 29)*

Grades K-6 | Kids Create | First Thursday of the month | 2:30-3:30 pm
This monthly after school program features different activities, like crafts or Legos. Signup starts a week in advance online, at 319.248.1850, or at the Children’s Desk. *(Fall dates: September 5, October 3, and November 7)*

All Ages | Family Night | Second Monday of the month | 6:30-7:30 pm
Family nights are for all ages and might involve crafts, games, stories, music—or any combination. *(Fall dates: September 9, October 14; November 18 due to Veterans Day)*

All Ages | Family Storytime | Saturdays | 10:30-11:00 am
Children and their families engage in stories, music, and poems planned for a broad age range.

For more details about programs for children and families, see www.coralvillepubliclibrary.org/children

SAVE THE DATE!
Free Community Meal
Friday, September 27 | 5:00-7:00 pm
At Northwest Junior High School
1507 8th St., Coralville
Sponsored by the Coralville Community Food Pantry and Northwest Junior High

ADULT PROGRAMS

A book-based movie series for adults. Refreshments, including fresh popcorn, are provided!

*Captain Marvel* (PG-13)
Thursday, August 29 | 6:00 pm
Carol Danvers becomes one of the universe’s most powerful heroes when Earth is caught in a galactic war between two alien races. Based on the Marvel Comics character.

*If Beale Street Could Talk* (R)
Thursday, September 12 | 6:00 pm
Set in early 1970s Harlem, a nineteen-year-old and her fiancé have a beautiful future ahead, but their plans are derailed. Based on the novel by James Baldwin.

*The Haunting*
Wednesday, October 30 | 6:00 pm
Four seekers come to an abandoned mansion which will soon choose one of them to make its own. Based on the book *The Haunting of Hill House* by Shirley Jackson.

MOVIE NIGHTS

*Green Book* (PG-13)
Tuesday, September 24 | 6:00 pm
A bouncer from the Bronx is hired to drive a world-class black pianist on a concert tour through the Deep South during the time of racial segregation.

*A Night at the Opera*
Wednesday, October 9 | 6:00 pm
A sly business manager and two friends help two opera singers achieve success while humiliating their snobbish enemies. Considered by many to be the best film by the Marx Brothers.

*They Shall Not Grow Old* (R)
Thursday, November 7 | 6:00 pm
Director Peter Jackson pays homage to British troops during WWI with never-before-seen footage. Digitally remastered, in color, and using newly created audio from transcripts. Shown in honor of Veterans Day.

FALL 2019
Multiple copies of each book are available for checkout and are, when possible, available in large print, audio, and ebook editions. Come for just the discussions that intrigue you, or come for them all.

**It’s a Mystery**

**Second Wednesday of the month | 10:00 am**

Gather for a lively and informal discussion of crime fiction—from hardboiled detective novels, cozy mysteries, or thrillers to genre hybrids. Join us for murder, discussion, and coffee, and pastries!

**September 11 | I Know You Know** by Gilly Macmillan
Twenty years after two boys were murdered, their friend starts a podcast about it. After another boy is murdered, the police must decide if the cases are linked.

**October 9 | The Force** by Don Winslow
Described by Stephen King as “The Godfather, only with cops,” this epic novel about an NYPD cop made more than ten best-of lists when it came out in 2017.

**November 13 | Uncorking a Lie** by Nadine Nettmann
Most of us will never get to drink $19,000 wine or solve murders, but we can all do so vicariously by reading Nettmann’s mystery starring a sommelier.

**September Is Library Card Sign Up Month**

If you live in Coralville, you are one step away from free access to over 100,000 books, movies, CDs, magazines, newspapers, audio books, and emedia—plus access to databases, online resources, computers, and $1.00 a day in free printing!

To get a library card, ages 14 and up can visit the library with a photo ID and proof of address. Or, register online (www.coralvillepubliclibrary.org and click My Account) and bring your photo ID and proof of address to the library to complete your registration. Children under age 14 must be with a parent or guardian to provide identification and proof of address.

With a library card you can borrow materials from the library, download ebooks and audiobooks, and emedia.

Is your library card lost? Get a free replacement card during the month of September.

**Food for Fines in September**

Help us help our neighbors at the Food Pantry!

Bring non-perishable foods or personal care items, or monetary donations, to the library throughout September in exchange for wiping out any new or existing overdue fines on your account. All donations will benefit the Coralville Community Food Pantry.

**Trivia Night**

**Thursday, November 14 | 6:00 pm**

Put on your thinking caps for another trivia night with prizes, refreshments, and a good time! No need for a team; we will create those at the start of the evening.

**Library Book Sale**

Over 7,000 used books!

$2 hardcovers | $1 paperbacks | 50¢ DVDs, audiobooks, & CDs | 25¢ children’s books

**FRIDAY, NOVEMBER 1 | 1:30 pm-5:30 pm**

**SATURDAY, NOVEMBER 2 | 9:00 am-3:00 pm**
**SEPTEMBER**

13-14  Anne of Green Gables  
Presented by Young Footlighters

20-22  The Christians  
Presented by City Circle Theatre Company

**OCTOBER**

11-13  The Tragedy of Carmen, by Bizet  
Presented by University of Iowa School of Music  
More information: 1-800-HANCHER

**FALL 2019**
Mayor & Two Council Seats on November Ballot

Coralville residents can cast their vote for the office of Mayor and two City Council positions in the City Election on November 5, 2019.

Coralville has five City Council members who serve overlapping four-year terms; the Mayor is elected for a two-year term. These at-large, non-partisan positions are elected by Coralville citizens.

Candidate Filing Information

To run for city office, candidates must:

1. Get the Candidate’s Guide and Nomination Papers, available at the Iowa Secretary of State’s website [https://sos.iowa.gov/elections/electioninfo/cityelections.html](https://sos.iowa.gov/elections/electioninfo/cityelections.html) and the Johnson County Auditor’s office.
2. Gather at least 25 signatures of registered Coralville voters.
3. File nomination papers at the Johnson County Auditor’s Office (not City Hall) during the filing period from August 26 until September 19, 2019.

Once the forms are submitted to the county auditor, the signatures on the petition are checked, and the person is certified as a candidate, the county auditor will add the name to the ballot.

Voter Resources

The Johnson County Auditor’s Office handles elections. For voter registration dates, absentee ballot deadlines, early voting information, and polling place hours:

- Call the Johnson County Auditor’s office at 319.356.6004.
- Email elections@co.johnson.ia.us.

Where Can I Post Campaign Signs?

When posting a temporary yard sign to support a campaign or cause, keep the following in mind:

- It’s okay to put a temporary yard sign on residential property.
- You must have permission of the property owner before placing a political sign anywhere, including vacant property.
- Do not put a temporary yard sign in the right of way—the area between the sidewalk and the street—including street corners, road medians, roundabouts, and utility poles.

To notify the City about signs in the right of way, call the Building and Zoning Department at 319.248.1720. Signs placed in the right of way or on public property will be removed as the City is notified and as staffing permits.
FRYfest is a “celebration of all that is Hawkeye” on the Friday before the first home football game.

FRYfest 2019 Celebrates Kinnick Traditions

FRYfest 2019 honors favorite traditions inside Kinnick (Iowa) Stadium and celebrates the 90th Anniversary of the stadium’s construction. From “On Iowa” to Herky the Hawk and “Back in Black,” FRYfest 2019 shows why a Saturday at Kinnick is the best Saturday in the Hawkeye State!

At this one-day, family-friendly event, fans live, eat, and breathe the beloved Hawkeyes. With activities ranging from the “World’s Largest Hawkeye Tradeshow” to the signature Hawkeye pep rally, there is no shortage of black and gold spirit to experience.

<<<<< PARKING >>>>>

BIKES: Free bike parking in front of AAA Mechanical (832 Quarry Road)

VEHICLES: $5 pre-pay event parking at:
- **ALL DAY**: Iowa River Landing north parking ramp (adjacent to the Coralville Marriott Hotel & Conference Center). Free for Marriott overnight guests with pass.
- **ALL DAY**: Coralville Marriott Hotel & Conference Center south lot (adjacent to High Porch Block Party)
- **AFTER 5:00 PM, IF OTHER LOTS ARE FULL**: Coralville Transit Intermodal facility (906 Quarry Road) or University of Iowa Health Care ramp (921 Ponsenti Way).

FRYfest is named in honor of former University of Iowa football coach Hayden Fry, said to be one of the greatest Hawkeyes of all time.

**WHY FRY?**

Thank you to the Coralville Fire Department for the fireworks display, 4thFest volunteers, and parade entrants!
Some of the most beautiful woodland views in Coralville can be found on the Coralville Woodpecker Single Track Trail in the Clear Creek Greenbelt. With the completion of the latest loop, Coralville now has six miles of natural-surface, single track trail.

Both east and west loops of the Woodpecker Single Track Trail can be accessed at the Tom Harkin Trailhead at 719 Camp Cardinal Boulevard. The trail is not just for off-road mountain bikers: walkers and bird watchers are welcome to explore these remote places as well.

**TRY SINGLE TRACK**

**Thursday, September 19 | 4:30-6:30 pm**

Tom Harkin Trailhead, 719 Camp Cardinal Boulevard

At this open house and celebration of our newest segment of single track trail, you can ride your bicycle or walk one of the loops.

- Try a mountain bike courtesy of Scheels, or bring your own
- Try new features: steel-framed rollers, platform, and small drop, funded in part through the Community Foundation of Johnson County
- Talk with the Iowa Coalition of Off Road Riders (ICORR) volunteers about the creation of this community gem

Additional parking available in the James Street gravel lot behind Comfort Suites.

**Single Track Trail Rules**

- Bikers ride with the directional arrows.
- Walkers and joggers move the opposite direction of the arrows.
- Bikers yield to pedestrians and wear a helmet.
- Do not wear headphones on the trail.
