2010**

Free 4thFEST Concert Features Nitty Gritty Dirt Band

On the eve of Independence Day each year, S.T. Morrison Park is transformed into an outdoor performance venue when residents and visitors gather for Coralville's free 4thFEST concert. This year's July 3rd concert promises to provide plenty of entertainment when Grammy Award-winning Nitty Gritty Dirt Band takes the stage at 8:00 pm.

With a career that spans five decades, Nitty Gritty Dirt Band is known as a pioneer of country rock whose influence continues today. Nitty Gritty Dirt Band's *Will the Circle be Unbroken* album became a multi-platinum success, remaining such a significant effort that 30 years later it was one of 50 recordings to be honored and preserved by the Library of Congress. Their *Circle II* album won three Grammy Awards and the Country Music Association Album of the Year, and their 2002 *Circle III* album garnered the International Bluegrass Music Association Recorded Event of the Year and led to a 2005 Grammy for Country Instrumental Performance. Hits including "Dance Little Jean," "Workin' Man," "Long Hard Road," "Baby's Got a Hold on Me," and "Fishin' in the Dark" put them at the top of the country charts for over a decade, and fans will recognize pop hits such as "Buy for Me the Rain" and Nitty Gritty Dirt Band's version of "Mr. Bojangles."

Make a Little Magic at 4thFEST

www.coralville.org/4thfest

See the schedule flap for a complete listing of events.

4thFEST 5K Walk/Run

Saturday, June 26

- 7:00-7:45 am Registration
- 8:00 am Race begins
- 8:45 am Kids Firecracker Mini-Marathon (26.2 yards)
- For more information contact Matt Hibbard at 319.248.1750 or Joe Dwyer at Running Wild, 319.351.3602.

Pet Pride in the Park

Saturday, June 26, 3:00-6:00 pm

Flood Mitigation Projects Update

I-JOBS Flood Recovery & Protection / Iowa River Landing Wetland Park Improvements

Project includes:
Permanent and removable flood walls
Improvements to existing wetlands park
Elevated walkway through wetlands
Trails
Park restroom building

Project duration: May 2010 - Summer 2011

1st Avenue Corridor Flood Recovery & Protection

Project includes:
Flood berms and walls
Three stormwater pump stations

Project duration: June 2010 - Spring 2011

1st Avenue Reconstruction

Project includes:
Widening 1st Avenue to five lanes from Clear Creek north to 6th Street
Wide sidewalks
Lighting
Streetscaping improvements

1st Avenue will be reduced to one lane in each direction for the duration of the project. Access to businesses will be maintained at all times.

Project duration: Begins June 2010, all five lanes expected open by end of 2010.

1st Avenue Bridge over Clear Creek

Project includes:
New bridge with five lanes
Wide sidewalks on both sides
Trail underpass of 1st Avenue

First Avenue Bridge is reduced to one lane in each direction due to construction.

Project duration: Began March 2010, all five lanes expected open by end of 2010.

See & Be Seen, Hear & Be Heard

Coralville offers over twenty miles of trails in dedicated off-road hard-surface routes and over-wide (eight to ten feet) sidewalks along roadways. Being attentive, courteous, and visible makes the trails safer and more enjoyable for both pedestrians and bicyclists.

- Wear bright colored clothing at any time of day. Attach reflective safety strips to dark areas of shoes, helmets, or other clothing.
- Attach a blinking light to your clothing if out before dawn or after dusk.
- If riding in the dark, your bicycle must have a working light. Failure to use a light can result in a citation from law enforcement.
- So you can hear others approaching or passing, turn down the volume of iPods, radios, or other electronic devices and don't talk on a cell phone.
- Attach a bell to your bicycle and use it at least 30 feet ahead of your approach to others.
- Walk or bike on the right side of the trail or sidewalk. When multiple people are together, only the right side of the trail should be occupied when moving in one direction. (Draw an imaginary line down the middle of the surface to determine the center line.) Generally, trails are not wide enough to accommodate two bicyclists riding side-by-side without encroaching on the left side.
- When passing, announce yourself by calling, "On your left," well before you pass. As the person being passed, when you hear a bell or announcement of "on your left," move to the right side to allow the person to pass.
- Upon meeting someone or being approached for a pass, form a single line.
- Pedestrians have first right to the surface, so on narrow pathways, a bicyclist may have to ride in the grass to pass.
- Trails are posted with a maximum speed limit of 20 miles per hour. Bicyclists should choose the road if traveling at higher speeds.
- Children should be closely monitored on trails and taught to stay on the right side.
- Trails are inspected twice a month during the spring, summer, and fall. You can help with identifying concerns by calling the Coralville Parks Division at 319.248.1780.

Did You Know?

Biking reduces air pollution, traffic congestion, parking constraints, lines at the gas pump, and waistlines. Check with your employer to see if equipment reimbursement dollars for cyclists are available.

Iowa Bicycle Hand Signals

Left Turn

Stopping or Slowing

Right Turn

Bike & Trail Safety

Sharing the Road

Bicyclists in Coralville have the option of using bicycle lanes or streets marked with sharrows, a chevron symbol with a bicycle figure which designates where a cyclist should ride. This marking is in the right side of the lane approximately where a motor vehicle's right tire is located. It is in the lane of traffic which makes a cyclist more visible and out of the way of grates, cracks, and debris that collect at the side of the road and can cause accidents.

Two corridors, Oakdale Boulevard and Camp Cardinal Boulevard, have overwide marked shoulders. On 12th Avenue, 10th Avenue, 5th Street, and Holiday Road, areas that do not have overwide sidewalks have been marked with sharrows.

What can vehicle drivers do to make the road safer for bicyclists and themselves?

- Be aware that there are many people who choose to use bicycles as their mode of transportation during all months of the year.
- Watch for bikes crossing the street and moving with traffic.
- Leave at least five feet of clearance between your vehicle and cyclists riding in the street.
- Stop short of sidewalks at entry/exit drives and look for bicycle or pedestrian traffic before moving across the walk.
- Bicyclists on streets are required to follow the same rules of the road as a car. If you notice erratic and unsafe behavior, report it to the Coralville Police Department.

Bike Helmets
\$10

Available at
the Coralville
Recreation Center

Where Should I Ride?

Though not the case in all communities, bicyclists in Coralville are allowed to ride on sidewalks, trails, and streets. A bicyclist's comfort level is important to consider in choosing the sidewalk or the street. Young or new cyclists may want to stick to the sidewalk. Stronger cyclists, particularly those travelling at higher speeds, are probably better suited to street travel. Areas of heavy traffic, congestion, or other adverse conditions may call for even the strongest of bicyclists to take to the sidewalk.

Adult Programs

Adult Summer Reading 2010

This year's self-directed Adult Summer Reading Program kicks off June 8! Adults who read six books of their own choosing and return their log book to the library by August 17 are entered into prize drawings for gift certificates to bookstores and other reading-related items. Stop by the library for a list of "Patron Picks" chosen from the Winter Adult Reading Month log books!

The Adult Summer Reading program is sponsored by the University of Iowa Community Credit Union and the Friends of the Coralville Public Library.

Adult Summer Reading Program Summer Fun Movie

Spaceballs

Thursday, July 8, 6:00 pm

Join us at the library for this campy movie starring Mel Brooks, John Candy, and Rick Moranis. "May the Schwartz be with you!"

It's a Mystery this Summer

The It's a Mystery group at the Coralville Public Library is in its sixteenth year. Join us at the library this summer for a lively mystery discussion! Discussions begin at 10:00 am and everyone is welcome.

June 9 *Dragon Bones*
by Lisa See

July 14 *The Red Box*
by Rex Stout

August 11 *Full Dark House*
by Christopher Fowler

Visit www.coralvillepubliclibrary.org for more information about library programs for adults.

Teen Summer Reading Program

for 7th – 12th graders June 8 to August 2

It's a summer filled with mystery and intrigue. Teens are invited to read for prizes and take part in special events at the library throughout the summer! Join us each Monday at 2:00 pm for Monday Madness; programs include an afternoon of improv

and acting, a forensics program, painting pottery with Fired Up, an "I Spy" scavenger hunt, and more! Special evening events include Jeopardy, a murder mystery, and Wednesday night movies. Don't miss the Teen Video Workshop in June, and a Teen Writer's Workshop in July hosted by local author Dori Butler. Enter our teen "Book Trailer" contest or read some classics and enter the Classics Drawing. There's something for everyone, and lots of great prizes. Be sure to check it out!

Sign up begins on Tuesday, June 8 from 5:00 to 6:30 pm. Stop by to register, enter a contest, and grab some treats! The Coralville Public Library's "Summer of Stealth" Teen Summer Reading Program is sponsored by the Friends of the Coralville Library, Hills Bank, and many local businesses.

Coralville Public Library

Park It & Read!

Books take on a different meaning when read in an unusual place — celebrate summer with your family by reading outdoors! Curl up under a tree or enjoy the evening sun while stretched on a blanket in one of Coralville's parks. Park It and Read features reading-related activities from 6:30 to 6:50 pm, followed by a frozen treat and time for your family to relax together and read. Participants can also learn about Coralville's programs and services to help enjoy all that is Coralville this summer!

When to Park It & Read!

Monday, June 14, 6:30-7:30 pm
North Ridge Park, Open Air shelter
Rain Location: Community of Christ (east side of the park)

Family pets can be so special to the people that love them. Local guest author Dori Butler will share her stories at 6:30 pm. Library staff will be available to sign up youth, teens, and adults for this year's summer reading programs, and Parks and Recreation staff will share information about upcoming special events and summer activities.

Monday, July 12, 6:30-7:30 pm
Auburn Hills Wetlands & Kate Wickham Nature Area
Rain Location: Kate Wickham Elementary School

We'll celebrate nature and all its wonder by taking a walk in the Auburn Hills Wetlands. Turn over a log and watch the roly poly bugs scurry or listen for frogs as they croak their evening serenade. Guests can also learn about other natural areas in Coralville to explore and what families can do at their own homes to be environmentally friendly. Reading activities will be held at the Kate Wickham Girl Scout nature trail, just east of Wickham School.

Monday, August 9, 6:30-7:30 pm
Central Park
Rain Location: Central Park Shelter

Many voices in character enhance any story experience. Coralville Public Library staff will perform *King Bidgood's in the Bathtub*. Visitors to this reading event can also learn more about children and adult theater opportunities in the area.

Real-Time Bus Tracking System Coming this Fall

Approximately six million unique rides are made annually in the Coralville / Iowa City area using public transit – the most in the state.

Inclement weather. Traffic congestion. Unforeseen circumstances. Each can impact the timeliness of public transit. For bus riders, knowing exactly when the next bus will arrive can mean the difference between catching the bus, extra wait time outside, or missing the bus entirely.

Beginning this fall, Coralville Transit goes high tech when area transit riders will be able to get real-time passenger information that covers all fleets and routes in the Coralville / Iowa City area, including details about a bus's location and highly accurate arrival time information for every bus stop.

Coralville Transit, Iowa City Transit, and the University of Iowa Cambus systems have col-

laborated to implement the real-time passenger information system using GPS technology to identify where a bus is on a transit route. Passengers can use a computer or a handheld smart device (like an iPhone or Blackberry) to view the actual location of their bus. They can opt to receive a text message on a mobile phone to let them know when the bus is approaching their stop, or call a local phone number, enter their bus stop ID, and receive the anticipated arrival time of their bus. The real-time passenger information system will be the first of its kind in Iowa. Look for more information about the system this fall.

Stormwater Practices Eligible for Reimbursement

Homeowners can receive a little help from the City of Coralville when installing Stormwater Best Management Practices on their property. Matching grants of up to \$750 per home are available for installing stormwater retention tools to slow down or stop water from entering the city's storm sewer system, creeks, and streams. Typical practices include rain gardens, bio-retention swales, rain barrels, and pervious paving. To learn more about this program or to obtain an application, please contact the Coralville Engineering department at 319.248.1720, contact Kelly Swenson at kswenson@ci.coralville.ia.us, or visit www.coralville.org/stormwater.

Established rain garden

Rain garden during a storm

Fall Leisure Line Distribution

In an effort to save money and be more environmentally friendly, beginning this fall the Coralville Parks and Recreation catalog, *Leisure Line*, will no longer be mailed to Coralville residents. *Leisure Line* will be sent home with Coralville elementary school students. Copies of the *Leisure Line* can also be picked up at the Recreation Center, Coralville Public Library, City Hall, Iowa City / Coralville Area Convention & Visitors Bureau, and the Guest Welcome Center at Coral Ridge Mall. The latest issue can also be found online 24 hours a day at www.coralville.org/leisureline.

Sizzlin' Summer Fire Safety

Tips from the Coralville Fire Department

Outdoor Fireplaces

The only open burning allowed in Coralville are recreational fires in purchased outdoor fireplaces used in accordance with manufacturer's instructions, or in built-in outdoor fireplaces pre-approved by the Fire Chief. When using an outdoor fireplace, always follow these requirements:

- Never operate an outdoor fireplace within 15 feet of a structure or combustible material.
- Only burn dried seasoned firewood.
- Outdoor fireplaces must be completely contained by wire mesh, including a wire mesh cover or lid which must be in place at all times.
- Outdoor fireplaces or fire pits should be constantly attended by at least one adult while in use until the fire is extinguished. Fires can spread unexpectedly and quickly, so never leave it while in use.
- Keep at least one portable fire extinguisher or other approved fire-extinguishing equipment, such as dirt, sand, water barrel, or garden hose, on site and available for immediate use. The fire extinguisher should have a minimum 4-A rating.
- Using outdoor fireplaces or fire pits when the weather or other conditions make fires hazardous, or objectionable because of smoke or odor, is prohibited.

Grills

When it comes to open flame cooking devices such as grills, the following rules apply to apartments, condos, and town houses -- and are good practice for one and two family dwellings.

Remember that grills, charcoal burners, and other open-flame cooking devices should:

- Never be operated on combustible balconies, including wood decks.
- Never be used within 10 feet of combustible construction, such as siding, deck railings, eaves, and overhanging branches.

Exceptions to this rule apply when buildings, balconies, and decks are protected by an automatic sprinkler system, or when using a grill with an LP-gas container less than a quart (or 2.5 pounds).

Whether grilling or using an outdoor fireplace, keep children and pets away and maintain a safe distance from lawn games and foot traffic. Never discard hot coals into anything except a closed, non-combustible container, and never use a propane or charcoal grill indoors or in an enclosed space, such as a garage or screened porch.

For more information, contact the Coralville Fire Department at 319.248.1835.

FRY fest™

a celebration of all that is Hawkeye

The second annual FRY Fest — a “celebration of all that is Hawkeye” — will be held on Friday, September 3 at the Iowa River Landing. FRY Fest drew over 20,000 people in 2009, and organizers are planning for a similar enthusiastic turnout this year.

The 2010 FRY Fest will commemorate the 50th anniversary of the 1960 football team and the 25th anniversary of the 1985 football team, both of which were Big Ten champions and qualified for Rose Bowl berths, with many players in attendance for fans to meet and greet. The world’s largest licensed Hawkeye tradeshow will return, a chance for all ages to take in guest appearances, games, activities, and prizes in addition to Hawkeye merchandise. And the public can “shake it all about” in a challenge to surpass the current world record for the most participants danc-

ing the Hokey Pokey, a tribute to the locker room tradition of former Hawkeye football coach Hayden Fry.

Coralville 4thFEST celebrations will benefit from the proceeds of the FRY Fest outdoor concert featuring The Nadas and legendary music icons, Three Dog Night. Concert tickets are \$10 and are available at www.fryfest.com, City Hall, the Iowa City/Coralville Area Convention and Visitors Bureau, and the Coral Ridge Mall guest welcome center.

FRY Fest is open to the public and is sponsored by the City of Coralville, Iowa City/Coralville Area Convention and Visitors Bureau, and the University of Iowa. For more information, visit www.fryfest.com or call 319.337.6592.

Household Hazardous Waste Clean Up Day

Friday, June 25

Noon to 3:00 pm

Northwest Junior High School

Safely dispose of household hazardous waste at no charge with this mobile collection event sponsored by the City of Coralville in cooperation with the Iowa City Landfill and Recycling Center.

Items acceptable for drop off include kitchen, bathroom, lawn/garden, and workshop items; compact fluorescent light bulbs; nail polishes or removers; and art supply chemicals. Reservations are required. To reserve a time, contact Dawn Stoddard at 319.248.1720 or dstoddard@ci.coralville.ia.us.

Upcoming Events

Coralville Farmers' Market

Market Flavor

Discover fresh, locally-grown fruits and vegetables, flowers and herbs, baked goods, handmade jewelry, and arts and crafts. The selections change each week as the season progresses. The Market is conveniently located for a quick stop on the way home from work or a leisurely stroll as you take in the flavors of what's fresh this season!

Farmers' Market Music

Enjoy the sounds of live acoustic music by local performers throughout the Market season!

June 7	Chris Miller
June 14	Jeffrey Morgan
June 21	Marc & Brandi Janssen
July 12	Unknown Component
July 19	Ben Schmidt & Larry Mossman
July 26	Central Standard Time
August 9	Consolation Champ
August 16	Chryst Mitchell
August 23	Alan & Aleta Murphy
August 30	Kevin "B.F." Burt

Market Season

When: May 3-October 7

Days: Mondays and Thursdays

Market Hours: 5:00-8:00 pm

Location: Coralville Community Aquatic Center parking lot (the Farmers' Market will be relocated on Thursday, July 1 and Monday, July 5)

For more information or to become a vendor, contact Matt Hibbard at mhibbard@ci.coralville.ia.us or call 319.248.1750.

Q&A with the Parks Division

There is a park area behind my house. Can I build a tree house or store my grill there?

Personal use of City property is not permitted and items will be removed if found within City open space. Storing of vehicles, extra bricks, or other materials is not permitted. Tree houses or other structures are not permitted on City property. This includes tree stands in designated open space hunting areas if left longer than two weeks past the end of deer hunting season.

How do I handle pet waste?

Dog waste should be disposed in the pet owner's trash receptacle and not dumped onto or left on another person's land or City property. Regardless of the level of maintenance of the property, cleaning up after your pet is essential. It is detrimental to stream water quality when waste washes in from yards and parks during a high water event.

Is it okay to mow or spray beyond my property line into a park or natural area?

Scott Coberly, Parks and Building Maintenance Superintendent, 319.248.1780, can discuss mowing and care practices for specific

areas. Some plots have native seed and wildflowers sown. By mowing or applying chemicals beyond your property line, you may be impeding restoration efforts. Please control overspray and applications of fertilizers or pesticides.

How should I dispose of yard waste like grass clippings, twigs, and sticks?

Sticks and branches should be cut to no more than four feet in length, tied in bundles, and placed on the curb on your normal garbage day. Grass clippings should be placed in biodegradable yard waste bags or in a can with an annual yard waste sticker. Disposal of yard waste and tree debris on City property is prohibited.

Who maintains the grass, flowers, and trees along Highway 6?

Business owners are responsible for mowing to the curb. The City maintains turf conditions such as ruts and weeds through a turf and horticulture contract with Quality Care. The City maintains all street medians, as well as vertical landscaping elements on Highway 6 such as the spirea bushes, trees, and limestone monuments, under the same contract.

Sign Permits and You

To maintain sign standards in Coralville, sign permits are required for new and replacement signs, window signage, and temporary signs.

Twirling signs, balloons, portable/sandwich boards, roof, electronic, flashing, scrolling, off premises, and swinging signs are prohibited. For safety, signs must be out of the traffic visibility zone and cannot be placed in the right of way.

Temporary yard signs (such as garage sale signs) can be placed in a yard without a permit, but not in the right of way. Please remember that if you put a sign up, you must also take it down within 24 hours after the event.

Sign permit applications are available from the Building Department or www.coralville.org/signs. For more information, call 319.248.1720.

Summer Recreation

Coralville Community Aquatic Center

1513 7th Street

Open

June 5 - August 18

Weekends only Aug. 21 - Sept. 6

Hours

Monday-Friday

11:00 am-8:00 pm

Saturday/Sunday

Noon-6:00 pm

Postal Customer Coralville, IA

Holiday Solid Waste & Transit Schedule

In observance of Independence Day

Offices closed July 5

July 5 & 6 garbage collected on Tuesday, July 6

No Transit service July 4; Saturday schedule on July 5

The screenshot shows the Coralville website homepage. At the top, there is a search bar and a navigation menu with links for HOME, OUR COMMUNITY, GOVERNMENT, DEPARTMENTS, and SERVICES. Below the navigation menu, there are several service links: CALENDAR, LET US KNOW, NOTIFY ME, and PAY ONLINE. The main content area features a list of services and resources, including: Read the latest City news, Submit concerns and feedback, Start or stop utility service, View bid postings and results, Check out upcoming events, Tune in to CoralVision live, Receive electronic notifications, Browse documents and forms, Apply for a job, Watch videos of Council meetings and more, Read Council agendas and minutes, Check bus schedules, Access a staff directory, View City facilities and amenities, Pay your utility bill, Download applications and permits, and Find links to area resources. At the bottom, there is a social media section for Facebook and Twitter, and a footer with the text "Coralville at your fingertips" and a blue arrow pointing to the social media icons.

Music in the Park

The warm summer weather means it's time for our annual summer concert series, Music in the Park. Join us in S.T. Morrison Park on Thursday evenings beginning in June for great local music at an even better price — free!

June 3	Extra Credit Project
June 10	Iowa City Community Band
June 17	Gayla Drake Paul
June 24	Scott Cochran & Flannel
July 1	Sunday Afternoon
July 15	Dogs on Skis
July 22	TouchPlay
August 5	Jeffrey Morgan & Friends

Music in the Park is made possible by our sponsors — US Bank, Quality Care, the Iowa City/Coralville Area Convention & Visitors Bureau, and Hy-Vee.

Park It at the Movies

Pop some popcorn and join us at dusk for movie nights under the stars! Park It at the Movies is free thanks to our sponsor, Quality Care.

June 18	Monsters vs. Aliens (PG) S.T. Morrison Park
August 20	Star Trek (PG-13) Youth Sports Park 2480 Dempster Drive

For more information about Music in the Park and Park It at the Movies, contact the Coralville Recreation Center at 319.248.1750.
