WHY DO I NEED A PET LICENSE?

All pet animals over the age of four months are required to be licensed with a City ID tag within 30 days of the animal being brought to the City. (Ordinance 56.02)

WHAT IS A TEMPORARY TAG?

Animals under the age of four months, which are no longer with their dam, but are too young to be vaccinated, shall be issued a temporary ID tag. A temporary tag will automatically expire when the animal reaches 5 months of age.

* WHEN DOES MY PET LICENSE EXPIRE?

All City licenses expire in conjunction with the rabies vaccination unless otherwise stated. If the animal has a 3 year rabies vaccination, the license may expire one (1), two (2), or three (3) years from the date of vaccination, at the owner's discretion.

WHY DO I NEED PROOF OF SPAY/NEUTER?

In order to take advantage of the lower fee for spayed/neutered animals, a certificate displaying proof of spay/neuter must be provided at the time of application.

DOES MY PET NEED TO WEAR THE LICENSE TAG

All pets, including cats, must wear the license tag whenever the animal is off the owner's property. The license tag serves as a dual purpose should your pet stray from home. A) It provides evidence the pet has been vaccinated for rabies. B) It helps officers and citizens who find your pet return it home.

If an animal has a license tag, the Coralville Police Department will make every attempt to return it home directly when possible.
